Remote Check In

You can check in to your workshop remotely just like you do when you enter your 4-digit pin in person. You must enter in code provided to you by the presenter or workshop owner. Workshop(s) to check in to will begin to show up 15 minutes before the workshop starts and will be there until 15 minutes after it ends.

You don't have any workshops currently going on. Please wait at least 15 minutes before it begins.

Would you like to resume the presentation from the last slide viewed?

YES

NO

< PREV

NEXT >

It will open in a new window. If it is your first time to open the online course, it will be the title slide of the course. If you have been in it before and had to exit, the screen will look like this. **CLICK YES IF YOU WANT TO START FROM LAST SLIDE.** If you accidentally click no, there is no way to undo that choice and you will have to start all the way over.
