

How To “Drop Registration” on OmniTrack

If you are no longer available to attend a workshop, please update your registration status by completing the following steps through OmniTrack:

1. Go to [OmniTrack](#)
2. **Login**
3. Click on **My Content**
4. Scroll to **My Upcoming Workshops**
5. Find the Workshop will not be able to attend
6. Click on **Drop Registration**
A “Registration Successfully Drop” message will display
7. Click **OK**

To drop your registration from another Workshop, repeat the Steps.
