## "Checking in"

- 1. Print out a sign in sheet from the registrations
- 2. "Remote" check in \*\*
- 3. "Pin" check in \*\*\*

\*\*For all virtual meetings, staff will be given a remote check in code that is valid 15 minutes before, 15 minutes after, and every minute in between. The presenter or facilitator can also ask for random check-ins to verify attendance. The remote check in code is entered into the course when it is created. The code can be added in the description of the course or announced during the course.

\*\*\* The participants pin number can be used for face to face sessions if a device is available.
