Texas Graduation Requirements

- Credit and Curriculum Requirements
  19 TAC §74

- Texas Assessment Program Requirements
  19 TAC §101.5

All students must meet...
credit and curriculum requirements
AND
assessment requirements

https://tea.texas.gov/graduation.aspx

Texas Graduation Requirements

- All students must meet credit and curriculum requirements for their enrolled grade level
- Four graduation programs
  – Foundation High School Program
  – Minimum High School Program (MHSP)
  – Recommended High School Program (RHSP)
  – Distinguished Achievement Program (DAP)
A new, more flexible graduation program that allows students to pursue their interests will be in place for all students who enter high school, beginning in the 2014-2015 school year.

The program contains up to four parts:

- A 22-credit foundation program which is the core of the new Texas high school diploma
- Five endorsement* options that allow students to focus on a related series of courses
- A higher performance category called Distinguished Level of Achievement
- Performance Acknowledgments that note outstanding achievement

Texas High School Diploma - Steps

Distinguished Level Of Achievement

26 Credits requirement & Eligible for Top 10% Automatic Admissions to Texas Public Universities

22 credits for the Foundation High School Program

Requirements of 1 Endorsement

- English I, English II, English III/AP/IB
- Math: Algebra I & Geometry
- Science: Biology/AP/IB
- Social Studies: USH, USG, Economics
- LOTE: same language, substitution

Endorsements

- For the first time, students will be able to earn one or more endorsements as part of their graduation requirements. Endorsements consist of a related series of courses that are grouped together by interest or skill set. They provide students with in-depth knowledge of a subject area.

- Students must select an endorsement in the ninth grade. Districts and charters are not required to offer all endorsements. If only one endorsement is offered, it must be multi-disciplinary studies.

- Students earn an endorsement by completing the curriculum requirements for the endorsement, including 4th credit of math and science and 2 additional elective credits.
Endorsements - §89.1070 (c)

A student receiving special education services may earn an endorsement under §74.13 of this title (relating to Endorsements) if the student:

1. satisfactorily completes the requirements for graduation under the Foundation High School Program… as well as the additional credit requirements in mathematics, science, and elective courses… with or without modified curriculum;

2. satisfactorily completes the courses required for the endorsement… without any modified curriculum; and

3. performs satisfactorily… on the required state assessments.

Endorsement - §89.1070(e)

In order for a student receiving special education services to use a course to satisfy both a requirement under the Foundation High School Program specified in §74.12 of this title and a requirement for an endorsement under §74.13 of this title, the student must satisfactorily complete the course without any modified curriculum.

Student Scenarios
With your table group, read the scenario and locate the correct subsection of §89.1070

Roger entered grade 9 in 2012-13 and is 21 years old. He took STAAR Modified and graduated in June 2016. He contacts your district to request help for employment skills.

Find the subsection in 89.1070 that tells you:
If an ARD must be held to consider resuming services

§89.1070 (k)

Michael entered grade 9 in 2015-16 and is enrolled in 12th grade. His PGP indicates he is taking classes toward Foundations HSP with accommodations. He passed Algebra I, Biology, and US History EOCs. He has taken English I and English II EOCs several times and has not yet passed. In 10th grade his ARD committee determined that passing the EOCs would not be required for graduation.

Find the subsection in 89.1070 that tells you:
How he can graduate without passing all of his EOCs

§89.1070 (d)
Hilda entered grade 9 in 2015-16 and is enrolled in 12th grade.
She completed credits for Foundation, passing all EOCs through STAAR Alternate.
All her classes were significantly modified at the prerequisite skill level. She is planning to continue enrollment in school next year to address transition skills in order to meet her postsecondary goals, and will use Voc Rehab for job coaching in the future.

Find the subsection in 89.1070 that tells you:
If an evaluation should be completed now or upon exit.
