

# 5th Annual Effective Border Schools Conference Many Stories: One Voice

Hosted by ESC1 Center For Excellence in Education of Diverse Students in collaboration with ESC Region 19

## Look no further for effective practices for diverse learners!

Our students and their families come from a variety of linguistic and cultural backgrounds that enrich our border communities every single day.

Each one of them comes with a different story, a different perspective, a different world view. Educators in effective border schools value this diversity as an opportunity to connect with others, enhancing our way of life and helping us find a common voice... especially in these challenging times!

Learn how to empower your diverse students, so their stories, OUR stories, come together as one.
