

# News Literacy Education

## (Digital Detectives and Information Skeptics Series)

**Would you like to empower your students by providing them with the news literacy skills they need to become active and engaged participants in civic life? Join us to learn what news literacy is all about and explore the misinformation landscape. Learn how to use news literacy to drive civic engagement and teach digital forensics so your students can detect and debunk misinformation online.**

Texas 2018 School Library Program Standards Strand 1: Information Literacy: School library programs offer information literacy instruction that enables students to efficiently locate, accurately evaluate, ethically use, and clearly communicate information in various formats.
