Learn at your own pace and design your own schedule

E.C.I.S.D. is providing you access to the **TAGT On-Demand**, a library of online courses for professional development. You will be able to select the hours worth of courses needed to update or become fully certified! Please note that the library includes 1-hour, 3-hour, and 6-hour courses.

Important NOTICE:
Registration codes are effective 9/11/2018 - 9/10/2019

Unfortunately, when a district's contract **expires**, any courses that are being taken but are *not complete will no longer be available*. Only records available will be that of any courses that have been completed. Users will still have the ability to log in to their dashboard and retrieve their certificates of completion under the "completed courses" tab.
ECISD will begin the next registration period immediately after current one ends. New codes will then be made available as will access to the coursework.
