STAAR, STAAR Spanish, STAAR Alternate 2

The STAAR program encompasses

- **STAAR**
- **STAAR Spanish**
- **STAAR Alternate 2**
- **Grades 3–8**
 - mathematics, reading, writing, science, and social studies
- **STAAR end-of-course (EOC)**
 - Algebra I, Algebra II, biology, English I, English II, English III, and U.S. history
- **LPACs make and document test participation decisions in accordance with the STAAR program requirements.**

STAAR (grades 3–8 and EOC)	<ul style="list-style-type: none"> • General statewide assessment • Designated supports available for students who meet eligibility can be found at https://tea.texas.gov/accommodations/. • Taken by ELs not eligible for an assessment listed below
STAAR Spanish (grades 3-5)	<ul style="list-style-type: none"> • Available for students in grades 3–5 for whom a Spanish version of STAAR most appropriately measures their academic progress • Designated supports available for students who meet eligibility can be found at https://tea.texas.gov/accommodations/. • Not permitted for an EL whose parent or guardian has declined bilingual/ESL program services
STAAR Alternate 2 (grades 3-8 and EOC)	<ul style="list-style-type: none"> • Available for students receiving special education services, including those who are ELs, who meet requirements for an alternate assessment based on alternate achievement standards • Participation requirements and information regarding available accommodations can be found the STAAR Alternate 2 Resources webpage.

Same:

- **Assessed curriculum and item types**
- **Blueprints for building tests**
- **Achievement standard alignment**
- **Focus on readiness for next grade level or course with goal of postsecondary readiness**

Different:

- **Language accessibility**
 - Native language helps students understand language of test

- **In addition to being appropriate for students in bilingual programs who are receiving most of their academic instruction in Spanish, STAAR Spanish may sometimes be appropriate for an EL in an ESL program.**

- **Examples:**
 - a Spanish speaker who has recently moved to the U.S.
 - an EL who recently moved from a campus with a Spanish bilingual education program to a campus with only an ESL program
 - a student in an ESL program who receives substantial academic support in Spanish

Non-ELs in Spanish Bilingual Programs

- **Non-ELs in a state-approved bilingual education program may be administered STAAR Spanish if the LPAC determines the Spanish assessment to be the most appropriate measure of the student's academic progress.**
 - 19 TAC Chapter 101.1005 requires the LPAC to make the decision when a request of this type is made for a non-EL.

- **This is most common in two-way dual language program models but is not necessarily limited to these program models.**

- **The LPAC is not responsible for performing the many other LPAC functions they carry out for ELs.**

Assessment Decisions for Different Subjects

- **Decisions will often vary by necessity because of the design of the STAAR program.**
 - For example, sometimes it may be appropriate to give STAAR Spanish in some subjects and STAAR in English in other subjects.
- **LPAC decisions to give a student one type of assessment for one subject and another type of assessment for another subject should be well-justified in the required documentation.**

STAAR with Embedded Supports Online Assessments: Special Administration

- **Rare, unavoidable circumstances where students can't access online assessment:**
 - Accommodations cannot be applied—A student may need a testing accommodation that is not possible to provide in an online setting. Prior to requesting a [special administration](#) of the assessment, consideration should be given to accessibility features, locally-approved designated supports, and designated supports requiring TEA approval. For information regarding these testing accommodations, refer to the [Accommodation Resources](#) webpage.
 - Technology access is precluded—Districts must make every effort to administer STAAR with Embedded Supports (English and Spanish). In rare situations where computers or technology are absolutely not available, districts may seek permission for a special administration.

Note: Special administration is dependent upon TEA approval.

An EL who receives special education services:

- **May be administered any assessment depending on whether they meet the participation requirements.**
 - STAAR
 - STAAR Spanish
 - STAAR Alternate 2
- **The LPAC is responsible for working in conjunction with the student's admission, review, and dismissal (ARD) committee to make and document assessment participation decisions.**
 - This collaboration helps ensure that factors related to a student's disability and second language acquisition are both considered.
- **The decision may be made by key members of each committee if necessary.**

TELPAS Participation Requirements

- **TELPAS and TELPAS Alternate:**
 - Fulfill federal requirements for annually assessing English language proficiency of ELs in K-12
 - Assess language proficiency in listening, speaking, reading and writing
- **For ELs receiving special education services, the LPAC works in conjunction with the admission, review, and dismissal (ARD) committee**
- **LPACs are responsible for making and documenting participation decisions**

- **For ELs in Kindergarten through grade 2 who do not have ARD or Section 504 committees, the LPAC is not required to meet to determine TELPAS participation decisions regarding unmodified English language proficiency assessments.**

- **Based on student classwork and classroom observations during daily instruction**
- **Teachers use proficiency level descriptors (PLDs) from Texas English Language Proficiency Standards (ELPS)**
- **K–1 (all language domains)**
 - Listening, speaking, reading and writing holistically rated
- **2–12 Writing**
 - Teachers use classroom-based student writing collections

TELPAS: Holistically Rated Assessments and ELs Receiving Special Education Services

- **Student evaluated relative to how well he or she understands and uses English to access general curriculum at enrolled grade level in accordance with individualized education program (IEP)**

- **With rare exceptions, student should be able to be observed and rated meaningfully in each holistically rated domain**
 - LPAC and ARD committee collaboratively decide that assessment in a particular domain is not appropriate due to a student's disability
 - Decision recorded at the time of testing and student is not assessed in applicable domain

- **Participation considered on domain-by-domain basis**
 - Reason for not assessing must be well-supported and documented in student's IEP by ARD committee and permanent record file by LPAC
 - Only applicable for EL receiving special education services who does not meet participation requirement for TELPAS Alternate

- **Appropriate for vast majority of ELs receiving special education services**
- **However, there are exceptions.**
 - 2–12 Reading
 - Braille versions not available
 - 2–12 Listening and Speaking
 - Braille versions not available
 - Need signed administration
 - Are deaf or hard of hearing (DHH)

TELPAS: Online Assessments and ELs Receiving Special Education Services

- **The ARD committee in conjunction with the LPAC may determine that an EL receiving special education services should not be assessed in listening, speaking, and/or reading due to student's particular disability**
 - Rare cases
 - Participation considered on domain-by-domain basis
 - Reason for not assessing must be well-supported and documented in the student's IEP by ARD committee and permanent record file by LPAC
 - Only applicable for EL receiving special education services who does not meet participation requirement for TELPAS Alternate

TELPAS: Online Assessments: Special Administration

- **Rare, unavoidable circumstances where students can't access online assessment:**
 - Accommodations cannot be applied—A student may need a testing accommodation that is not possible to provide in an online setting. Prior to requesting a special administration of the assessment, consideration should be given to accessibility features, locally-approved designated supports, and designated supports requiring TEA approval. For information regarding these testing accommodations, refer to the [Accommodation Resources](#) webpage.
 - Technology access is precluded—Districts must make every effort to administer TELPAS reading and TELPAS listening and speaking online. In rare situations where computers or technology are absolutely not available, districts may seek permission for a special administration.

Note: Special administration is dependent upon TEA approval.

TELPAS Alternate Holistic Inventory

- **Alternate English language proficiency assessment for ELs in grades 2–12 with significant cognitive disabilities**
 - Aligned to ELPS
 - Alternate PLDs created to address specific needs of these students
- **ARD committee in conjunction with LPAC determines eligibility based on [TELPAS Alternate Participation Requirements](#)**
 - No domain specific exemptions

- **Grades K–1**
 - ELs in K–1 assessed with general TELPAS
 - Holistically rated in listening, speaking, reading, writing
 - Decision based on stakeholder feedback
 - General TELPAS accessible and appropriate for this age
 - Some K–1 not yet identified with disability (i.e. non-categorical)
 - Overall reluctance to assign labels to young students that would make them eligible for alternate assessment

- **Grade 2**
 - ARD committee in conjunction with the LPAC make assessment decision using [participation requirements](#)
 - No STAAR Alternate 2 for this grade
- **Grades 3–12**
 - ELs meeting STAAR Alternate 2 eligibility will take TELPAS Alternate

Note: ELs in grades 11 or 12, who have previously met STAAR Alternate 2 eligibility and completed all STAAR testing requirements, will take TELPAS Alternate.

TELPAS Alternate Participation Requirements

- For grades 2–12
- Available on TEA’s [TELPAS Alternate Resources](#) webpage
- Intended to guide ARD committee in conjunction with the LPAC in determining appropriate English language proficiency assessment for ELs
- Documentation of eligibility is different for students in grade 2 compared to students in grades 3-12
 - **UPDATE:** For students in grades 3-12, the ARD committee in conjunction with the LPAC will now answer question 1: “Is the student identified in PEIMS as LEP?” and initial the assurances in Step II.

TELPAS ALTERNATE PARTICIPATION REQUIREMENTS		State-Required Form
Student Name _____ Grade _____ Date _____ Name of District Personnel Completing Form _____ Position _____		Grade _____ Date _____
This document is intended to guide the admission, review, and dismissal (ARD) committee, in conjunction with the language proficiency assessment committee (LPAC), when determining the appropriate English language proficiency assessment to administer to English learners (ELs) in grades 2-12.		
Grade 2	If TELPAS Alternate is being considered for a student's grade 2 year, the ARD committee, in conjunction with the LPAC, must review questions 1-6 below and select Yes or No as it applies to the student. Each Yes answer requires justification that contains evidence that the student meets the criterion. To be eligible to participate in TELPAS Alternate, the answer to questions 1-6 must be Yes. If the answer to any one of the questions is No, the student must be assessed with TELPAS. If the ARD committee determined that the student met eligibility criteria for TELPAS Alternate and also qualifies for "No Authentic Academic Response" or a "Medical Exception," the student will not be required to participate in the administration of TELPAS Alternate.	Justification that must include from the EL's IEP, progress monitoring, and/or the FIE: text box has a 550-character limit.
Grade 3-12	If a student entering grades 3-12 has been identified in PEIMS as limited English proficient (LEP), and the ARD committee has followed state guidelines to determine the student's participation in STAAR Alternate 2, the student will be assessed with TELPAS Alternate. The STAAR Alternate 2 participation requirements satisfy guidelines for these students, so questions 2-6 below do not need to be answered. If the ARD committee determined that the student met eligibility criteria for STAAR Alternate 2 and also qualifies for "No Authentic Academic Response" or a "Medical Exception," the student will not be required to participate in the administration of TELPAS Alternate.	Justification that must include from the EL's IEP, progress monitoring, and/or the FIE: text box has a 450-character limit.
1. Is the student identified in PEIMS as LEP? <input type="radio"/> Yes <input type="radio"/> No		Enter justification that must include data from the FIE as evidenced by intellectual and adaptive evaluation information: This text box has a 550-character limit.
2. Does the student have a significant cognitive disability? <input type="radio"/> Yes <input type="radio"/> No		
• A determination of significant cognitive disability is made by the ARD committee and must be based on the student's most recent full and individual evaluation (FIE) conducted by the multidisciplinary team that includes a licensed specialist in school psychology (LSSP), educational diagnostician, or other appropriately certified or licensed practitioner with experience and training in the area of the disability. AND • Results from the FIE must indicate a deficit in the student's ability to plan, comprehend, and reason. FIE results must also indicate adaptive behavior deficits that limit a student's ability to apply social and practical skills such as personal care, social problem-solving skills, dressing and eating, using money, and other functional skills across life domains. It is unlikely to see these types of results in an FIE of a student with a high-incidence disability only, such as a specific learning disability or speech impairment.		Enter justification that must include data from the EL's individualized education program (IEP), progress monitoring, and/or the FIE: This text box has a 450-character limit.
3. Does the student require specialized, extensive supports to access the grade-level curriculum and environment? <input type="radio"/> Yes <input type="radio"/> No		
• Federal regulations mandate that all students have access to grade-level curriculum. A student with a significant cognitive disability requires extensive, repeated, specialized supports and materials beyond the support typical peers require. The student uses substantially modified materials to access information in alternate ways to acquire, maintain, generalize, demonstrate and transfer skills across all settings. AND • A student with a significant cognitive disability demonstrates adaptive behaviors that are significantly impaired. This most likely will impact the student's ability to live independently and will require specialized supports for the student to function safely in daily life across all life domains, not just the school environment.		IS Alternate. Code (TAC) §89.1055(b), if the ARD committee determines that the student will take TELPAS Alternate, eligibility that is based on the information in this form and the student's individual allowable accommodations must be documented in the student's IEP and appropriate LPAC documentation.

1. **Accessibility Features:** These are procedures and materials that are allowed for any student who needs them.
2. **Designated Supports:** These are locally-approved supports for students who meet eligibility criteria.

2019–2020 Accessibility Features

During state assessments for STAAR, STAAR Spanish, and TELPAS, certain accessibility features may be provided to students based on their needs. In general, these procedures and materials are available to any student who regularly benefits from the use of them during instruction. A student cannot be required to use them during testing and there is no need to document their use on the answer document or in the [Texas Assessment Management System](#) for online administrations. Coordinators are responsible for ensuring that test administrators understand the proper implementation of these procedures and use of these materials. In some cases, a student who uses them may need to complete the test in a separate setting to eliminate distractions to other students and to ensure the security and confidentiality of the test. In addition, if the administration of an accessibility feature requires a trained test administrator to view secure test content, he or she must sign the appropriate part of the security oath.

A list of the accessibility features is provided below.

- signing test administration directions for a student who is deaf or hard of hearing
- translating test administration directions into the native language of an English learner
- allowing a student to use a bilingual dictionary on mathematics, science, and social studies assessments (word-to-word translations; no definitions or examples; no applications on tablets or other devices)
- allowing a student to read the test aloud to facilitate comprehension (includes use of PVC pipe or recording device)
- reading aloud or signing the expository or persuasive writing prompt to any student who requests this assistance
- providing reading assistance on the grade 3 mathematics test for any student:
 - The test administrator may read a word, phrase, or sentence in a test question or answer choice to any grade 3 student but only when asked to do so by the individual student.
 - If a student needs the entire test read aloud, the eligibility criteria for an oral administration must be met.
- typing a student's response to the writing prompt into the online test for any grade 4 student who is taking STAAR writing online and cannot type proficiently:
 - The test administrator transcribing the student's response must do so in accordance with guidelines for transcribing found on the [Transcribing](#) page of the Complete Paper Administrations section in these [District and Campus Coordinator Resources](#).
 - Students taking the grade 7 writing test, English I, English II, or English III must meet the eligibility requirements for Basic Transcribing if this type of support is needed.
- making the following assistive tools available:
 - various types of scratch paper, dry erase boards, or any other medium that can be erased or destroyed
 - colored overlays and the color settings for online tests
 - blank place markers and the guideline tool for online tests
 - magnifying devices and the zoom feature for online tests
 - various types of highlighters, colored pencils, or any other tool that can be used to focus attention on text
 - amplification devices (e.g., speakers, frequency-modulated [FM] systems)

 - Content and Language Supports
 - Extra Time
 - Oral/Signed Administration

Content and Language Supports

TEA approval is NOT required.

Description of Designated Support

This designated support allows for various types of assistance (e.g., scaffolded directions, assistance with tracking, graphic organizers, simplified language, graphic representations of vocabulary and concepts) to support a student’s understanding of selections, test questions, and answer choices.

Assessments

For a student who meets the eligibility criteria, this designated support may be used on

- STAAR
- STAAR Spanish

NOTE: Not available for Algebra II and English III

Student Eligibility Criteria

A student may use this designated support if

- instructional and assessment decisions are made by a Section 504 committee, ARD committee, or an LPAC for an EL taking an English test.
- he or she routinely, independently, and effectively uses it during classroom instruction and classroom testing.

NOTE: ELs taking STAAR Spanish may be eligible for content and language supports if the the section 504 or ARD committee determines eligibility

Authority for Decision and Required Documentation

- For a student who is an EL, the decision is made by the LPAC based on the eligibility criteria and is documented in the student’s permanent record file.
- For a student receiving Section 504 services, the decision is made by the Section 504 committee based on the eligibility criteria and is documented in the student’s IAP.
- For a student receiving special education services, the decision is made by the ARD committee based on the eligibility criteria and is documented in the student’s IEP.
- In the case of an EL with a disability, the decision is made by the applicable group above in conjunction with the student’s LPAC. The decision is to be documented by the LPAC in the student’s permanent record file and by the other applicable group, as described above.

LPAC Responsibilities with Designated Supports Decisions

LPACs are responsible for making appropriate designated supports decisions:

- **Coordinate with content area teachers of ELs**
- **Make designated supports decisions in accordance with the TEA policies**
 - [Educator Guide to Accessibility within the STAAR Program](#),
 - Accessibility Policy Documents on TEA's [2019-2020 Accommodation Resources](#) webpage or [DCCR](#), and
 - [2019-2020 Decision-Making Guide for LPACs](#)
- **Maintain required documentation of decisions**

Designated Supports Decisions for STAAR

- **The LPAC's designated supports decisions must be made on an individual student basis.**
- **Decisions must be based on—**
 - a student's particular needs for second language acquisition support, and
 - whether the student is routinely provided the support in classroom instruction and testing.
- **Providing unfamiliar supports may hinder rather than help a student.**
- **Designated supports decisions should be made as close as possible to the assessment to account for the student's progress in acquiring the English language.**
 - EOC designated supports decisions carry over from fall to spring and summer administrations.
 - Grade 5 and 8 designated supports decisions carry over from April to May and June.

Designated Supports for ELs Receiving Special Education Services

- **LPACs are responsible for making designated supports decisions for the STAAR program in conjunction with the student's ARD committee, Section 504 committee, RTI team, or other applicable committee.**
 - **Designated supports decisions related to the student's particular needs for second language acquisition support**
 - **Designated supports decisions related to the student's disability or need**

- **Committees should become familiar with all information on the TEA's [Accommodation Resources](#) webpage.**

Designated Supports and Reclassification

Students for whom the LPAC recommends the following designated supports for any English reading or English EOC assessments, may not be reclassified at the end of the school year.

- ✓ Oral Administration
- ✓ Content and Language Supports
- ✓ Extra Time

If the LPACs recommend oral administration, content and language supports, or extra time for the grade 4 and grade 7 writing assessments, they need to consider the degree to which the student relies on these designated supports during language arts writing assignments or testing when making reclassification decisions.

The use of dictionaries on reading and writing assessments does not prevent an EL from being considered for reclassification at the end of the year. However, it is important for LPACs to consider the degree to which the student relies on a dictionary during language arts instruction or testing when making reclassification decisions.

2019–2020 English Learner Reclassification Criteria Chart

At the end of the school year, a district may reclassify an English Learner (EL) as English proficient if the student is able to participate equally in a general all-English instructional program with no second language acquisition supports as determined by satisfactory performance in the assessment areas below and the results of a subjective teacher evaluation using the state's English Learner Reclassification Rubric (linked below).¹

For State of Texas Assessments of Academic Readiness (STAAR) English reading and English end-of-course (EOC) assessments, the performance standard for reclassification is the student meeting any of the following:

- Masters Grade Level
- Meets Grade Level
- Approaches Grade Level

¹ 19 TAC §89.1226(i)(3)

² Effective in school year 2019-2020, students in grades 1-2 and in grades 11-12 shall be assessed using the state's single TEA Approved Norm-Referenced Standardized Achievement Test: <http://tea.texas.gov/bilingual/esl/education/>

³ For STAAR, English reading refers to the grade-level tests in grades 3-8, and English EOC refers to the applicable end-of-course English I for grade 9, and English II for grade 10.

Note: ELs may be reclassified no earlier than at the end of first grade based on 19 TAC §89.1226(j).

Note: Students for whom the LPAC recommends the use of Oral Administration, Content and Language Supports, or Extra Time as designated supports for English reading or English EOC assessments, may not be considered for reclassification at the end of the school year.

Note: English learners with significant cognitive disabilities who are receiving special education services may qualify to be reclassified using the following: [Individualized Reclassification Process for a Student with a Significant Cognitive Disability](#).

STAAR Exemptions

Exemptions

As indicated in 19 TAC §101.1005, an EL who meets the eligibility criteria below shall not be required to take a STAAR assessment in grades 3-8.

Eligibility Criteria

This exemption applies to an EL who

- qualifies as an unschooled asylee or refugee,
- is in the first year of enrollment in U.S schools, and
- is in grades 3-8.

Section 101.1005 of the TAC allows exemption of qualifying EL asylees and refugees from being administered a STAAR assessment in grades 3–8.

English I Special Provision

- **Acknowledges unique circumstances of specific ELs**
 - insufficient time in the U.S. and insufficient time to learn English
- **These students**
 - depend heavily on instructional scaffolding, including linguistic supports based on their second language acquisition needs
 - needs cannot be provided as designated supports during the standardized English I EOC assessment
- **LPACs must maintain documentation of eligibility for the special provision.**
- **Eligibility must be determined in conjunction with the student's enrollment in English I/ESOL I.**

Note: An EL who qualifies as an unschooled asylee or refugee may be eligible for the English I EOC special provision during the student's fourth or fifth school year of enrollment in a U.S. school if all other requirements are met. Additional information on unschooled asylee/refugee students can be found in Appendix B in the *LPAC Decision-Making Guide*.

Qualifying As An Unschooled Asylee/Refugee

- **To qualify as an unschooled asylee or refugee**
 - student must be identified as limited English proficient (LEP/EL) as defined by state law in TEC, Section 29.052, and must participate in a state-approved bilingual or ESL program, and
 - student's permanent record file must contain appropriate documentation of asylee/refugee status. The student must
 - be an asylee as defined by 45 Code of Federal Regulations, Section 400.41 or a refugee as defined by 8 United States Code, Section 1101, *and*
 - have a Form I-94 Arrival/Departure record, or a successor document, issued by the United States Citizenship and Immigration Services that is stamped with "Asylee," "Refugee," or "Asylum."

The student's permanent record file must document that

- **the student had little or no formal schooling outside the U.S. and lacked basic primary language literacy upon enrollment in school in the U.S.; *and***
- **the student is being provided designated supports and other ongoing interventions by the district to meet the student's unique affective, linguistic, and cognitive needs; *and***
- **as of the semester of the test administration, the student continues to lack the necessary foundation in the TEKS as a direct result of the student's inadequate schooling outside of the U.S.**

LPACs may not recommend designated supports, special assessment considerations, or accountability provisions for an EL whose parents have denied bilingual or ESL services.

This includes:

- **No designated supports**
- **No testing in Spanish**
- **No English I special provision**
- **No unschooled asylee/refugee provisions**

 - ARD committee documents decisions in the student's IEP
 - Section 504 committee documents decision in the student's IAP
 - Other student assistance teams document decision in student's permanent record file

Documentation Forms

- **Sample forms are provided.**

This provision applies to an EL enrolled in an English I course or an English for Speakers of Other Languages (ESOL) I course if the EL —

- has been enrolled in U.S. schools for three school years or less or qualifies as an unshooled asylee or refugee enrolled in U.S. schools for five school years or less, and
- has not yet attained a TELPAS advanced high reading rating.

An EL whose parent or guardian has declined bilingual/ESL program services is **not** eligible for this provision.

Note: Generally, eligibility for the special provision must be established and documented each time a potentially eligible EL takes (or retakes) a course covered by this special provision. However, if the student fails a fall course and re-enrolls in the course in the subsequent spring or summer, the LPAC is not required to meet again to re-establish eligibility. Eligibility in fall carries over to May and June administrations.

LPACs are also required to determine and document the number of school years in which an EL has been enrolled in a U.S. school.

- **Information is reported to TEA in conjunction with the TELPAS and TELPAS Alternate**
- **Used in TELPAS and TELPAS Alternate reporting and accountability and performance-based monitoring measures**
- **Vital that LPACs follow state-defined policies and procedures to determine and annually document this important data element**

Calculating Years in U.S. Schools

- **Districts are not changing the value for years in U.S. schools submitted in a previous school year. Districts are using the data previously submitted to inform data that will be submitted this spring.**
- **U.S territories (Puerto Rico and Guam) are not included in this count.**

Instructions for Years in U.S. Schools Data Collection

The language proficiency assessment committee (LPAC) is required to determine and document the number of school years in which each English learner (EL) has been enrolled in a U.S. school. This information, which is reported to TEA through the Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate, is used for TELPAS and TELPAS Alternate reporting and STAAR assessment decisions, and for defining accountability and performance-based monitoring measures.

It is important for LPACs to follow state-defined policies and procedures to determine and annually document this critical student data element. Steps must be taken to document the information in a manner that shows clear evidence of consistent and accurate annual updating. The information must be kept in the student's LPAC documentation file. Districts may wish to use the TEA-provided form titled *Student History Worksheet* or a similar form to document and annually update this information. This form may be found on the Language Proficiency Assessment Committee Resources webpage at http://tea.texas.gov/student_assessment/ell/lpac/.

School records or signed verification from the child's parent or guardian must be used by the LPAC to indicate the number of school years of enrollment in the U.S. Information that cannot be obtained from the parent or guardian may be supplied instead by the person standing in parental relation (such as the relative with whom the student is living). When a school has been unsuccessful in obtaining the requested information in writing, a school official or representative may speak to the parent, guardian, or person standing in parental relation to obtain the information and then sign a statement describing the information obtained, which must be kept in the student's LPAC documentation file. If the student is 18 or older, the LPAC may permit the student to provide his or her own signed verification if appropriate.

The campus coordinator is responsible for submitting this information through the TELPAS and TELPAS Alternate Assessment Management System during the TELPAS and TELPAS Alternate window. Together, the campus coordinator and LPAC must ensure that steps are in place to annually verify the information for accuracy and consistency.

The number of school years of enrollment in a U.S. school starts with grade 1, or the first school year thereafter if the first school year of enrollment in the U.S. is later than grade 1. The value for first grade ELs should never be higher than "1st school year" unless the student was retained in grade 1.

Beginning with the 2013–2014 school year, a student must have been enrolled for 60 consecutive school days in order for that year to be counted as one year in the calculation. When counting 60 consecutive school days for students who withdraw from a U.S. school and then re-enroll in another U.S. school, districts should restart the count at day 1 only in cases in which the student was not enrolled in another school for 10 or more consecutive school days. Students that re-enroll in another school in less than 10 days continue to be counted within the one year of the Years in U.S. school calculation. However, once a student has been enrolled for 60 consecutive school days within a school year, that school year will count as one year in the calculation of years in U.S. schools regardless of any subsequent periods of unenrollment. For purposes of this calculation, only schools (including home schools and private schools) based within the 50 states, Washington, D.C. and U.S. Department of Defense (DoD) schools are to be considered U.S. schools. Please note that Puerto Rico and Guam are not included in this count.

In addition to years in U.S. schools, other information that will be collected includes:

■ **Unschoolled asylees/refugees**

- These students typically lack literacy skills in their first language and basic subject-matter knowledge and skills. They may also lack basic social skills and have experienced emotional trauma as a result of their previous circumstances.

■ **Students with Interrupted Formal Education (SIFE)**

- These ELs attend school in the U.S., withdraw and leave the U.S. for a period of time, and then return to the U.S. The period of time outside the U.S. or the number of times the student is withdrawn from U.S. schools is significant enough that growth in English and learning of subject matter are affected.
- These ELs may come to the U.S. with limited or no prior schooling. They typically lack literacy skills in their first language, basic subject-matter knowledge and skills, or basic social skills. For the purpose of this data collection, include ELs who did not attend school for a period of time such that the ability to learn English and new grade level subject-matter knowledge and skills is significantly affected.

- **FAQs**

- **Can LPACs change participation decisions within the same assessment calendar (i.e. April decision was STAAR English, LPAC wants to change to STAAR Spanish for May assessment.)**

LPACs may change assessment participation decisions. However, the LPAC will need to justify the reason for making the change and citing the EL's failure to pass the STAAR English assessment is not justification.

- **We have ELs in our district, in kindergarten through grade 2, who do not have either an ARD committee or Section 504 committee. Is the LPAC required to meet to make TELPAS participation decisions for these students?**

For ELs in kindergarten through grade 2 who do not have ARD committees or Section 504 committees, the LPAC is not required to meet to determine participation decisions regarding unmodified English language assessments.

- **We have Junior and Senior ELs in our district who are required to take a TELPAS assessment. These ELs have previously met the participation requirements for STAAR Alternate 2 but have completed their EOC testing requirements and therefore not testing this spring. Should they take TELPAS Alternate?**

If these ELs met participation requirements for STAAR Alternate 2 in the past, then they will be assessed with TELPAS Alternate.

- **When marking the Observable Behaviors for the TELPAS Alternate assessment, can we leave any blank?**

For the TELPAS Alternate, the test administrator needs to record a response for all 40 Observable Behaviors. The test administrator will not be able to submit the test if any Observable Behaviors are left blank.

■ **Do eligible ELs in K-1 also take TELPAS Alternate?**

ELs in grades K-1 will be assessed with the general TELPAS holistically rated assessment for all four language domains and not with the TELPAS Alternate assessment. This decision was based on feedback from various stakeholders that the general TELPAS holistically rated assessment was accessible and appropriate for students at this early age, and that some K-1 students have not yet been identified with a disability (i.e., non-categorical). Additionally, there was an overall reluctance to assign labels to young students that would make them eligible for an alternate assessment.
