Responsive Teaching Toolkit Training

Responsive Teaching Toolkit provides:

- hands on support to supplement **reading** instruction with effective strategies and best practices
- readily accessible lessons for any text or selection.
- numerous activities that can be implemented in large group, small group, tutorials, tiered instruction (30 minutes), and extended day.
- constructive conversation posters/prompting cards as scaffolds for readers

Audience: Kinder & First Grade Teachers
at identified schools.

(not teaching summer school) ➡

Presenter: Benchmark Education Consultant

Expectation: Participants will receive Training on the Responsive Teaching Toolkit and share information at their campus.
