Texas Administrative Code (TAC) Chapter 89 Terms, Subchapter BB

The following words and terms are used in this subchapter and throughout the training.

- Bilingual education allotment
- Certified English as a second language teacher
- Dual language immersion
- Dual-language instruction
- English as a second language program (ESL)
- English language proficiency standards (ELPS)
- English learner
- Exit
- Reclassification
- School district (includes Charter schools and Districts of Innovation)
- Prekindergarten
- Alternative Language Program
- Parent

5

Slide 5

The following words and terms, when used in this subchapter, shall have the following meanings, unless the context clearly indicates otherwise.

- 1) Bilingual education allotment--An adjusted basic funding allotment provided for each school district based on student average daily attendance in a bilingual education or English as a second language (ESL) program in accordance with Texas Education Code (TEC), §42.153.
- 2) Certified English as a second language teacher--The term "certified English as a second language teacher" as used in this subchapter is synonymous with the term "professional transitional language educator" used in TEC, §29.063.
- 3) Dual language immersion--A state-approved bilingual program model in accordance with TEC, §29.066.
- 4) Dual-language instruction--An educational approach that focuses on the use of English and the student's primary language for instructional purposes.
- 5) English as a second language program--A special language program in accordance with TEC, Chapter 29, Subchapter B.
- 6) English language proficiency standards (ELPS)--Standards to be published along with the Texas Essential Knowledge and Skills for each subject in the required curriculum outlined in Chapter 74 of this title (relating to Curriculum Requirements), including foundation and enrichment areas, ELPS, and college and career readiness standards.

- 7) **English learner (EL)**--A student who is in the process of acquiring English and has another language as the student's primary or home language. The terms English language learner (ELL) and English learner are used interchangeably and are synonymous with limited English proficient (LEP) student, as used in TEC, Chapter 29, Subchapter B.
- 8) **Exit**--The point when a student is no longer classified as LEP/EL (i.e., the student is reclassified), no longer requires bilingual or ESL program services, and is classified as non-LEP/English proficient (EP) in the Texas Student Data System Public Education Information Management System (TSDS PEIMS). The term "exit" as used in this subchapter is synonymous with the description in TEC, Chapter 29, of "transferring out" of bilingual or special language programming.
- 9) **Reclassification**--The process by which the language proficiency assessment committee determines that an English learner has met the appropriate criteria to be classified as non-LEP/EP and is coded as such in TSDS PEIMS.
- 10) **School district**--For the purposes of this subchapter, the definition of a school district includes a local education agency, an open-enrollment charter school, and a district of innovation.
- 11) **Prekindergarten**--For purposes of this subchapter, prekindergarten describes students enrolled in a 3- or 4-year-old prekindergarten program, as well as 3- or 4-year-old students enrolled in an early education setting.
- 12) **Alternative language program**--A program that meets the affective, linguistic, and cognitive needs of ELs and equips the teacher under a bilingual education or ESL waiver described in §89.1207 of this title (relating to Bilingual Education Exceptions and English as a Second Language Waivers) through the comprehensive professional development plan.
- 13) **Parent**--The term "parent" as used in this subchapter includes the parent or legal guardian of the student in accordance with TEC, §29.052.

Terminology

English learner (EL)
 A student who is in the process of acquiring English and has another language as the student's primary language or home language; synonymous with English language learner (ELL) and limited English proficient (LEP)

Reclassification
 The process by which the language proficiency assessment committee (LPAC) determines that an English learner has met the appropriate criteria to be classified as English proficient, non-LEP.

6

Slide 6

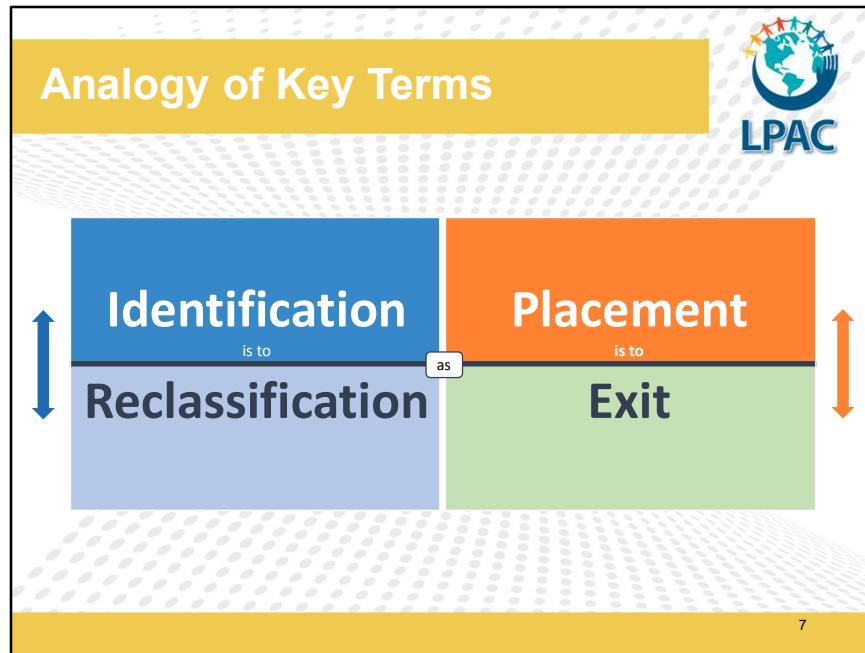

These terms are foundational to understanding English learner programming.

Due to the nature of some language program models, a reclassified English proficient student may continue in the program with parent or guardian approval.

The term “English learner” will be used throughout the training to align with the Elementary and Secondary Education Act of 1965 Public Law 115-141, as amended by the Every Student Succeeds Act (ESSA).

The term “English learner” and the introduction of the term “English proficient,” when referring to students who do not need English language support, is intentional. This terminology replaces the use of abbreviations such as EL or EP, to ensure a “people first” approach when referring to the students we serve.

All students who have met the reclassification criteria must have their coding updated in PEIMS.

Slide 7

Think about this analogy: Identification is to Reclassification as Placement is to Exit.

Identification and reclassification is determined by the LPAC, whereas placement and exit are dependent on parent or guardian approval based on LPAC recommendation.

Equal Educational Opportunity

To ensure equal educational opportunity, as required in the Texas Education Code (TEC), §1.002(a) and TEC 29.051, TAC Chapter 89 Subchapter BB 1201(a), policy states a school district shall:

- (1) identify English learners based on criteria established by the state;
- (2) provide bilingual education and ESL programs, as integral parts of the general program as described in the TEC, §4.002;
- (3) seek appropriately certified teaching personnel to ensure that English learners are afforded full opportunity to master the essential knowledge and skills required by the state; and
- (4) assess achievement for essential knowledge and skills in accordance with the TEC, Chapter 29, to ensure accountability for English learners and the schools that serve them.

8

Slide 8

Facilities

- Bilingual education and ESL programs shall be located in the public schools of the school district with **equitable access** to all educational resources rather than in separate facilities.
- In order to provide the required bilingual education or ESL programs, school districts **may concentrate the programs** at a limited number of facilities within the school district.
- Recent immigrant English learners shall not remain enrolled in **newcomer centers** for longer than two years.

9

Slide 9

Additional guidance regarding concentrating, or clustering, students at a limited number of facilities within the district:

- In the context of a bilingual program, a district may cluster bilingual program students at one or more centrally located campus(es) in order to maximize resources.
- Additionally, ESL programs may be clustered in a similar fashion. However, when clustering bilingual or ESL programs, districts must not isolate/segregate English learners from English proficient students to the point at which English learners make up the entire school for the duration of their program services.
- Notice that an English learner's participation in a newcomer center, likely composed of all English learners, is limited to **two years**.

Purpose of the LPAC Framework

- The Framework for the Language Proficiency Assessment Committee (LPAC) process includes **clarification of the legal requirements** for the LPAC and provides documents and forms to facilitate the training of LPAC members.
- The **forms** included in the LPAC Framework are **samples** for districts to use for the implementation of a bilingual/ESL program.

10

Slide 10

Sample forms may be adapted or enhanced to meet each district or charter school's individual needs for proper documentation.

Purpose of the LPAC Framework

The LPAC Framework is organized into the following sections:

- General English learner policies

- **Identification**

- Procedures and assessment practices
- Decision-making for identification

- Establishment of Bilingual and ESL programs

11

Slide 11

The intent of the LPAC Framework is to establish guidelines that describe the steps necessary in the implementation of a consistent and standardized LPAC process across school districts and the state. Further information regarding the purpose of the LPAC Framework is shared on the following (next) slide.

Purpose of the LPAC Framework

16

Slide 16

- The written board policy shall be **ON FILE** in the district.

LPAC Membership

- The LPAC shall include
 - an appropriately **certified bilingual educator** (for students served through a bilingual education program), and/or an appropriately **certified ESL educator** (for students served through an ESL program),

Campus administrator - A principal, assistant principal or vice principal. The campus administrator required as part of the LPAC must be personnel coded **Function 23** (principals, assistant principals and their staff) under School Leadership as defined by the Financial Accountability System Resource Guide. Principals, assistant principals, and their staff are personnel who:

- Supervise all operations of the campus

LPAC Parent - Must be a parent or legal guardian of an English learner **participating** in a bilingual or ESL program. No parents or guardians who have denied student services may participate as an LPAC parent. The parent representative volunteers his or her participation in the LPAC. The trained LPAC parent serves as the representative parent or guardian for all English learners.

LPAC Membership

The **bilingual LPAC** is composed of a

Slide 18

LPAC Requirements

Upon their initial enrollment and at the end of each school year, the language proficiency assessment committee shall review all pertinent information on all English learners identified in accordance with §89.1226(f) of this title (relating to Testing and Classification of Students)

- (1) designate the language proficiency level of each English learner in accordance with the guidelines issued pursuant to §89.1226(b)-(f) of this title;
- (2) designate the level of academic achievement of each English learner;

19

Slide 19

“Initial enrollment” refers to a student’s **first-time enrollment** in a public school district within the state of Texas (any Local Education Agency-LEA, including districts, charters, and districts of innovation).

More information on the LPAC requirements is provided on the following (next) slide.

LPAC Requirements

- (3) designate, subject to parental approval, the initial instructional placement of each English learner in the required program;
- (4) facilitate the participation of English learners in other special programs for which they are eligible while ensuring full access to the language program services required under the TEC, §29.053; and
- (5) reclassify students, at the end of the school year only, as English proficient in accordance with the criteria described in §89.1226(i).

20

Slide 20

LPAC Requirements

- All members of the LPAC, including parents or guardians, shall be acting for the school district and shall observe all laws and rules governing **confidentiality of information** concerning individual students.
- The school district shall be responsible for the **orientation and training** of all members, including the parents or guardians, of the LPAC.
- All LPAC members shall be **trained annually**.
- All LPAC records must be maintained for **five years after reclassification**. The five-year period begins at the first year of monitoring.

21

Slide 21

Each trained member shall also sign an oath of confidentiality because of testing results and other information that is shared and analyzed. This is a requirement, due to each student and his or her family's right to confidentiality.

Members who have been formerly trained need to receive updated information annually to stay current.

LPAC Requirements

- If the parent or guardian's primary language is other than English,
 - the training shall be provided in the parent or guardian's primary language or delivered via interpreter, and
 - the meetings shall be conducted in the parent or guardian's primary language or via interpreter, as needed.

22

Slide 22

The LPAC Framework PPT is available in Spanish for LEAs needing to provide training for Spanish speaking parents or guardians. Visit the English learner web portal at www.txel.org for LPAC parent training resources.

Required LPAC Meetings

- Within **four calendar weeks** of the initial enrollment, for identification and/or review
- Prior to state assessments, for determination of appropriate assessments and designated supports
- At the end of the year, for annual review and for the following year's placement decisions
- As needed, to discuss student progress

23

Slide 23

“Four calendar weeks” will be explained later in the presentation (Identification section).

Prior to state assessments, refer to the LPAC Decision-Making Manual from the Student Assessment Division at TEA. Refer to the Accommodations Manual for the designated supports found at <http://tea.texas.gov/student.assessment/accommodations/>. These instructional linguistic accommodations and designated supports need to be implemented during classroom instruction throughout the year prior to being used in the assessments.

At the end of year, the LPAC meets for an annual review to determine if reclassification criteria has been met and program placement for the following year.

The LPAC must also convene on students who are being monitored, are parent denials, and students who are failing.

Required English Learner Documentation

The student's permanent record shall contain documentation (paper or electronic) of all actions impacting the English learner.

Documentation shall include

- the identification of the student as an English learner;
- the designation of the student's level of language proficiency;
- the recommendation of program placement;
- parent or guardian approval of entry or placement into the program;
- the dates of entry into, and placement within, the program;

24

Slide 24

Required English Learner Documentation

- assessment information as outlined in Chapter 101, Subchapter AA, of this title;
- additional instructional interventions provided to address the specific language needs of the student;
- the date of exit from the program and parental approval;
- the results of monitoring for academic success, including students formerly classified as English learners, as required under the TEC, §29.063(c)(4); and
- the home language survey.

25

Slide 25

Maintain records for a total of **five years after reclassification** (which includes the two years of monitoring). For more information on record retention, direct participants to the Local Government Retention Schedules page at the Texas State Library and Archives Commission

<https://www tsl.texas.gov/slrn/localretention>. Participants will need to scroll down the page to SD: Records of Public School Districts, and click on the PDF. The information needed will be in Section 3-2: Bilingual and Special Language Program Records.

LPAC Requirements: Coordination of Services

- The LPAC may also recommend **other programs or services** offered through the school district.
- The LPAC is also responsible for facilitating student participation in **other special programs** (Advanced Academics/Gifted and Talented, Special Education, Career and Technical Education, Dyslexia, etc.).

26

Slide 26

The LPAC should ensure that English learners who are eligible for other special programs have full access to the language program services required under the TEC, 29.053

- Special programs may also include Multi-Tiered System of Supports (MTSS), extended-day or year, content-specific tutorials, etc.
- Tutorials should be targeted to meet the specific need(s) of the student.
- Districts should have policies on file for identifying gifted English learners. Teachers need to be trained to observe cues that indicate giftedness and follow up with referrals.

ARD/LPAC Collaboration

- For English learners with identified special needs:
 - LPAC shall meet in **conjunction** with the Admission, Review, Dismissal (ARD) committee members to review and provide recommendations with regards to the educational needs of the dual-identified student.
 - Decision-making must be based on the input of members of the LPAC and the ARD committee who are directly familiar with the student's language needs and abilities in the classroom setting.

27

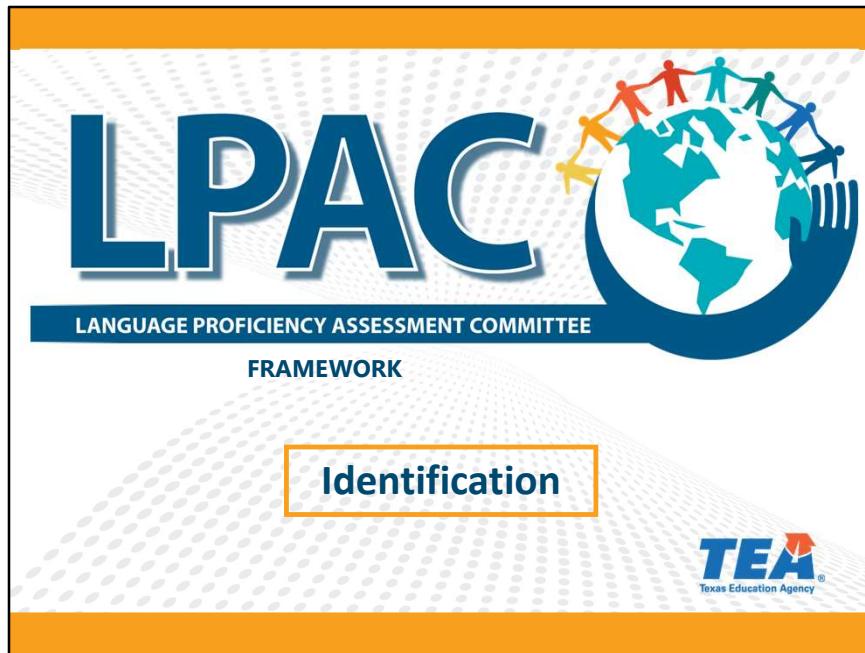

Slide 27

In Texas, eligibility for special education services and most of the major decisions about a child's special education program are made by an admission, review, and dismissal (ARD) committee. You may also hear this group referred to as an individualized education program (IEP) team, which is the term used in federal law.

The LPAC in conjunction with the ARD may determine that a student has a disability identified by the special education program and is **also** an English learner. It is allowable for a dual-identified English learner to be served by **both programs**, special education and bilingual or ESL education.

Additional guidance relating to Testing and Classification of Students (§89.1226 (h)):

The language proficiency assessment committee (LPAC) in conjunction with the admission, review, and dismissal (ARD) committee shall identify a student as an English learner if the student's ability in English is so limited or the student's disabilities are so severe that the English language proficiency assessment described in subsection (c) of this section cannot be administered. The decision for entry into a bilingual education or ESL program shall be determined by the language proficiency assessment committee in conjunction with the ARD committee in accordance with §89.1220(f) of this title (relating to Language Proficiency Assessment Committee).

Identification Section Objective

Content Objective

We will be able to identify and explain the timelines, procedures, assessment practices, and decision-making processes for **identifying English learners.**

4

Slide 4

Timeline

Within **four calendar weeks** of initial enrollment in a Texas public school the district must:

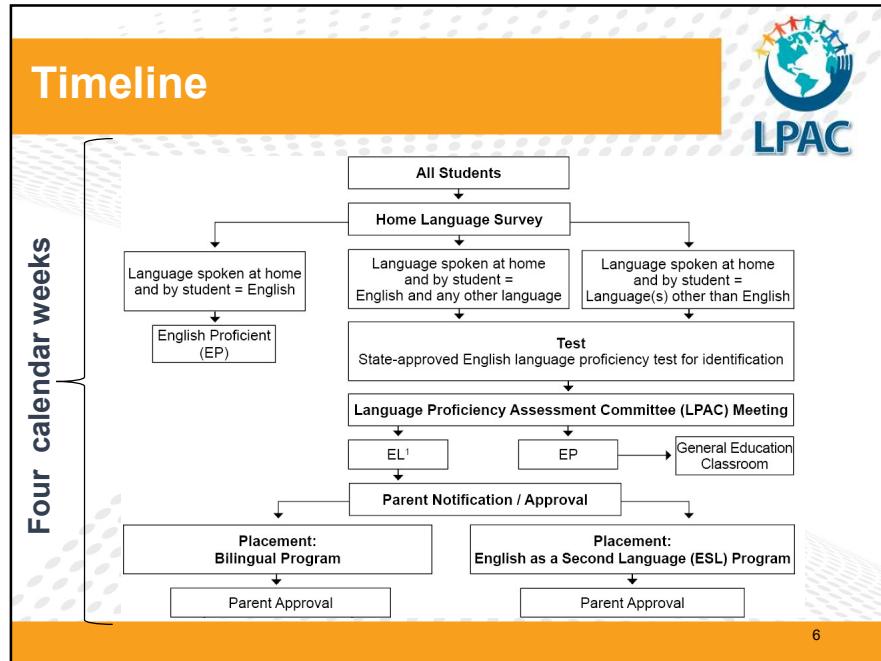

- Administer the **identification assessment (pre-LAS or LAS Links)** if the student's home language survey indicates a language other than English.
- Convene an LPAC to determine English learner classification and recommend the appropriate program placement.

<https://laslinks.com/Texas/>

5

Slide 5

First, initial enrollment in Texas public schools is discussed. Later in this section, students transferring from other Texas public schools will be addressed.

Slide 6

The LPAC conducts identification of students who are **new** to Texas public schools and reviews previous documentation of students who are **transferring** from other Texas public schools.

The **identification** and **placement** process must occur within the student's first four calendar weeks of school enrollment. This means that the student must be tested, and the LPAC must convene to review the student's documentation and determine if the student is eligible for classification as an English learner. If the student is eligible, the LPAC must make their recommendations for program placement and the parental approval must be sent. Instructional linguistic accommodations may also be addressed at this time.

It is suggested that the signed parental approval form be received by the district within this time frame, as written parent or guardian approval is required in order for Bilingual Education Allotment (BEA) funds to be generated.

- ESSA requires assurances that students are identified as English learners (or English Proficient, as appropriate) within **30 days** of enrollment [Elementary and Secondary Education Act of 1965 Public Law 115-141, as amended by the Every Student Succeeds Act (ESSA)].

- TEC 29.056 requires Texas school districts to identify English learners within **four calendar weeks** of enrollment, which also fulfills the federal requirement. Vacation days that occur during the school year (including Thanksgiving and Winter Break) are counted in the four-calendar week period.

Timeline Example

Student A enrolls on the 19th, then Student A will be identified and placed by the 16th of the next month.

| Sunday | Monday | Tuesday | Wednesday | Thursday | Friday | Saturday |
|--------|--------|---------|-----------|----------|--------|----------|
| 16 | 17 | 18 | 19 | 20 | 21 | 22 |
| 23 | 24 | 25 | 26 | 27 | 28 | 29 |
| 30 | 31 | 1 | 2 | 3 | 4 | 5 |
| 6 | 7 | 8 | 9 | 10 | 11 | 12 |
| 13 | 14 | 15 | 16 | 17 | 18 | 19 |

7

Slide 7

Example:

Student A enrolls for the first time in Texas public schools on Wednesday, the 19th. To calculate the four calendar week time frame, count ahead one week to the 26th, then the second week to the 2nd, the third week to the 9th, and the fourth week to the 16th. In this example, the LPAC shall identify and place Student A by the 16th.

Note that holidays do not affect the four-calendar week period.

Home Language Survey (HLS)

- If the response on the HLS indicates that a language **other than English** is used, the student shall be tested in accordance with §89.1226 of this title (relating to Testing and Classification of Students).*
- The HLS shall be administered in **English and the primary language** whenever possible. The HLS shall contain the following questions.
 - (1) What language is **used** in the child's home **most of the time**?
 - (2) What language does the child **use most of the time**?

**Parent or guardian permission for language proficiency testing is not required.*

8

Slide 8

Keep in mind:

- The HLS is available in multiple languages under “Suggested Forms”.
- The original HLS should be retained with the student’s permanent record.
- The HLS should be completed by the parents or guardians of students who are enrolling in a Texas school for the first time.
- Reminder: Districts may upload the original HLS into Texas Records Exchange (TREx).

Purpose of the HLS

Dear Parent or Guardian:

To determine if your child would benefit from Bilingual and/or English as a Second Language program services, please answer the two questions below.

If either of your responses indicates the use of a language other than English, then the school district must conduct an assessment to determine how well your child communicates in English. This assessment information will be used to determine if Bilingual and/or English as a Second Language program services are appropriate and to inform instructional and program placement recommendations. If you have questions about the purpose and use of the Home Language Survey, or you would like assistance in completing the form, please contact your school/district personnel.

For more information on the process that must be followed, please visit the following website:
<https://www.txel.org/media/iufjinqt/english-learner-identification-reclassification-flowchart-1.pdf>

9

Slide 9

The text within the box on the HLS (shown on the slide) is a brief note to the parent or guardian that **explains** the purpose of the HLS.

It is the district's responsibility to not only inform parents or guardians of the purpose of the form but to ensure parents or guardians **understand** the purpose and the impact of their responses on their child's education. This requirement that districts ensure that parents or guardians understand the purpose of the HLS is one that is strengthened and heavily emphasized under the Every Student Succeeds Act (ESSA), Title III, Part A section.

If school districts/campus(es) choose to develop their own HLS, it **MUST** contain the two questions as stated in TAC 89.1215 (b) and provide information clearly explaining the purpose of the HLS to parents or guardians.

Changes to the HLS

NOTE: PLEASE INDICATE ONLY ONE LANGUAGE PER RESPONSE.

1. What language is **used** in the child's home **most of the time**?
2. What language does the child **use most of the time**?

10

Slide 10

In cases where a parent or guardian indicates more than one language in response to questions 1 and/or 2, it is the district's responsibility to contact the parent or guardian, explain that the question is asking which language is used most of the time, and seek parent or guardian clarification in a language the parent or guardian understands.

If the parent or guardian is physically present, the parent or guardian can document the change on the HLS. If the parent or guardian is being contacted via a phone call, a school staff member can document the parent's or guardian's response on the HLS. This must occur **prior to assessing** the child for language proficiency.

Changes to the HLS

Parents or guardians may request a correction on the HLS only if

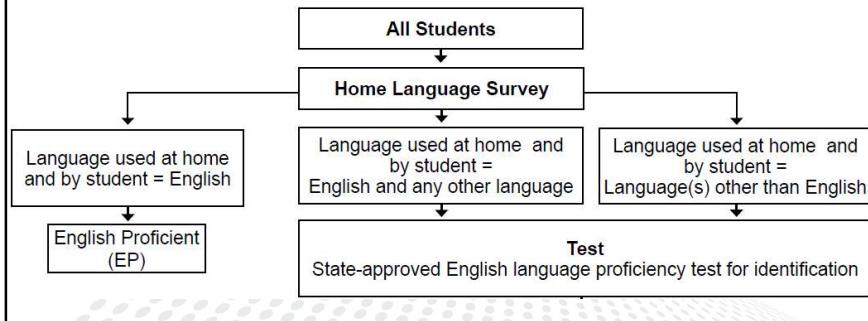

- 1) the child has not yet been assessed for English proficiency; **and**
- 2) corrections are made within two calendar weeks of the child's enrollment date.

11

Slide 11

This information is noted for the parent or guardian at the very bottom of the HLS document that provides guidance regarding corrections to be made if needed.

Identification Assessment

12

Slide 12

Testing and Classification

For identifying English learners, school districts shall administer to each student who has a language other than English identified on the home language survey:

- (1) in **preK3, preK4, Kindergarten**, an oral language proficiency assessment (preLAS)
- (2) In **Grade 1**, the listening, speaking proficiency assessment (LAS Links)
- (3) In **Grades 2-12**, the listening, speaking, reading, and writing proficiency assessment (LAS Links)

13

Slide 13

For more information on the single state-approved English language proficiency test for identification, visit the following webpage: <https://laslinks.com/Texas/>.

Testing Administrator

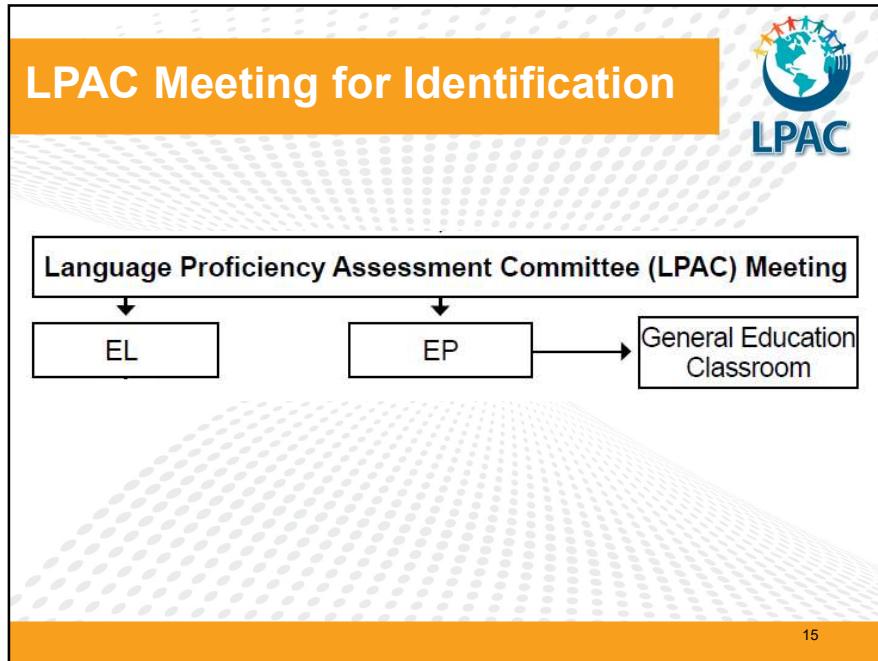

- All of the language proficiency testing shall be administered by professionals or paraprofessionals who are **proficient in the language** of the test and **trained** in the language proficiency testing requirements of the test publisher.
- The LPAC, not the test administrator, must meet and review **assessment** results to determine English learner status.

14

Slide 14

Reminder: The LPAC makes the final determination based on factors in accordance with TEC 29.056 (c) for the identification of an English learner.

Slide 15

If an LEA has a child who, as a result of the LPAC meeting, has been identified as **an English learner (EL)**, the rest of the guidance provided in this training **applies** to that child.

If an LEA has a child who is identified as **English proficient (EP)** as a result of the LPAC meeting, the child would enter a general education classroom and the guidance provided throughout the rest of this training would **not apply**. English Proficient (EP) is the term used to replace the term “Non-LEP.”

Determining Eligibility in PreK-1st Grade

A student is to be classified as an English learner if:

- In **PreK3, PreK4, Kindergarten** the student receives a **1, 2 or a 3 oral language proficiency** level in the preLAS assessment
- In **Grade 1** the student receives a **1, 2, or 3 proficiency level in either speaking and/or listening** assessment of LAS Links.

School districts that provide a bilingual education program at the elementary grades **shall** administer a language proficiency test in the **primary language** of the student who is eligible to be served in the bilingual education program.

16

Slide 16

Remember that the student must be assessed in both English and the primary language **if the district is required to provide a bilingual program**. The purpose of the primary language assessment is to provide information for instructional purposes and placement.

If the primary language is Spanish, the school district shall administer the Spanish state-approved language proficiency test (preLAS Español/LAS Links Español). If a state-approved language proficiency test is not available in the primary language of the student, the school district shall determine the student's level of proficiency using informal oral language assessment measures.

A student shall be identified as an English learner if the student's ability in English is so limited that the English language proficiency assessment described in subsection (c) of this section (89.1226) cannot be administered (TAC 89.1226 (g)). Maintain documentation of the attempted exam documenting the name of test administrator, date, and question(s) asked.

Prekindergarten Enrollment

Children enrolling in a prekindergarten (PK) program

- Children aged 3 and 4 must meet established **eligibility criteria** in order to enroll in a PK program.
- Children must have demonstrated **eligibility for PK** services prior to school enrollment.
- 3- to 4-year-olds may be identified as eligible for PK services **beginning on April 1 of the school year prior** to enrollment and up to the time of enrollment.
- Identification as an **English learner** (LEP/EL), following state process for identification, is one way a child demonstrates eligibility for PK; the child must be **identified prior to school enrollment in PK**.

Slide 17

Prek eligibility requirements:

Prekindergarten and Early Education Enrollment

Children with identified special needs enrolling in school at age 3 or 4

- These children are eligible for program services through **special education** due to disability.
- Within four calendar weeks of initial enrollment, the LPAC completes the state process for EL identification as necessary and meets with the ARD committee to determine EL identification and appropriate programming placement to ensure both special education and language program services.
- English learners qualify for prekindergarten (PK); however, ELs may be coded as Early Education (EE) based on special education services in conjunction with their language program services.

18

Slide 18

Emphasize that for each student entering a 3- or 4-year-old program, a Home Language Survey (HLS) shall be administered and the state process followed for identification as an English learner (LEP/EL), as appropriate. This includes students with or without identified disabilities.

For more information, please visit the Bilingual/ESL webpage and look for the following document titled “ Guidance on Identification and Placement of English learners Prior to Kindergarten” under the program requirement resources heading.

Prekindergarten Students and the HLS

Note: Pre-Kindergarten, for the purposes of the HLS, is defined as early childhood services for a student, aged 3 or 4, enrolling for the first time in a Texas school. This includes all students, with or without identified special needs.

HOME LANGUAGE SURVEY-19 TAC Chapter 89, Subchapter BB, §89.1215
(Home Language Survey applicable ONLY if administered for students enrolling in pre-kindergarten through grade 12)

TO BE COMPLETED BY PARENT OR GUARDIAN FOR STUDENTS ENROLLING IN PREKINDERGARTEN THROUGH GRADE 8 (OR BY STUDENT IN GRADES 9-12): The state of Texas requires that the following information be completed for each student who enrolls in a Texas public school for the first time. It is the responsibility of the parent or guardian, not the school, to provide the language information requested by the questions below.

19

Slide 19

For the purposes of the HLS, prekindergarten is an umbrella term for all program services provided to 3- and 4-year old children in Texas public schools. This includes the prekindergarten program children can become eligible for discussed on the previous slides and the EE program for special education services.

Determining Eligibility in Grades 2-12

A student is to be classified as an English learner in grades 2-12 if the student receives a **1, 2, or 3 proficiency level in ANY domain**: listening, speaking, reading, and writing of the LAS Links assessment.

At any grade level, a student shall be identified as an **English learner if the student's ability in English is so limited** that the English language proficiency assessment described in subsection (c) of this section **cannot be administered**.

20

Slide 20

A student shall be identified as an English learner if the student's ability in English is so limited that the English language proficiency assessment described in subsection (c) of this section (89.1226) cannot be administered (TAC 89.1226 (g)).

Maintain documentation of the attempted exam documenting the name of test administrator, date, and question(s) asked.

Students Transferring From Within Texas

For students **previously** enrolled in a Texas public school:

- The receiving district shall:
 - **request and secure** the student records, including the home language survey and all LPAC documentation.
 - make **multiple attempts** to obtain the student's home language survey and other LPAC documentation.
 - **document in writing** all attempts to contact the sending district to request records.

21

Slide 21

School districts may check the TEx database, or other databases, for an uploaded version of the HLS, to obtain TELPAS history, and to request LPAC documentation.

Review the withdrawal form, if available, to see if the student was being served in a program or identified as an English learner in PEIMS. PEIMS history may also assist in determining the number of years the student has been enrolled in US schools.

Students Transferring From Within Texas

Once LPAC documentation has been received from the previous Texas district:

- Determine if **evidence** indicates that the student was previously identified as an English learner in Texas.
- If the student was **previously identified** as an English learner in Texas, the district does not proceed with a new identification process. The receiving district,
 - honors the original identification as an English learner,
 - documents the evidence found in the LPAC paperwork,
 - provides the continuation of services (bilingual or ESL), and
 - communicates continuation of services with the parent or guardian.

22

Slide 22

LPAC documentation used to determine previous English learner identification may include:

- TELPAS score reports and other identification assessment documents
- Parent or Guardian permission forms
- Parent or Guardian Report on Student Progress forms
- LPAC initial review or annual review documentation

The LPAC should identify (based on previous Texas district documentation) and place the student within **four calendar weeks** of the enrollment date. Ensure that all the necessary signed documents are placed in the student's permanent record.

If there is documented evidence that the student was identified in the past in Texas as an English learner, but no home language survey has been obtained, the district shall document this in writing and retain this documentation in the student's cumulative folder. The district does NOT administer a new home language survey in this case.

Students Transferring From Outside of Texas

If a student transfers from a school outside of Texas, the school district shall do the following:

- Review any documentation brought in by the student.
- Determine if evidence indicates that the student was previously enrolled in a Texas school.
 - If evidence indicates the student was identified as an English learner in Texas, follow procedure on previous slide.
 - If there is no evidence that the student was identified as an English learner in Texas, proceed with Texas identification process, including administration of the HLS for identification, as outlined for students new to Texas public schools who have never been enrolled previously.

23

Slide 23

Remember, this process is the same as identifying a new student from another country or another state within the United States.

Dual-Identified Students

When identifying an English learner who is also served through special education:

- The state's established process for identification is followed.
- An attempt to assess the child for language proficiency must be made and documented.

24

Slide 24

Dual-Identified Students

When identifying an English learner who is also served through special education, the LPAC in conjunction with the ARD Committee shall:

- Implement assessment procedures that differentiate between language proficiency and disabling conditions.
- Identify the student as an English learner if the student's ability in English is so limited **or the student's disabilities are so severe** that the English language proficiency assessment cannot be administered.

Slide 3

Placement Section Objective

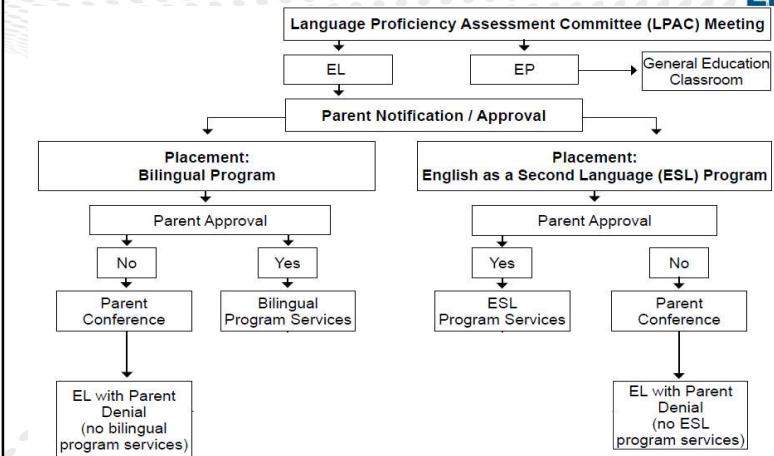

Content Objective

We will be able to explain the rights of parents and guardians regarding the process of placement, benefits of program services, and approval for **program participation**.

4

Slide 4

Parent or Guardian Approval

5

Slide 5

Parent or Guardian Rights and Responsibilities: Notification

- The parent or legal guardian shall be notified in their primary language and English of the following:
 - Their child's classification as an English learner.
 - The recommendation for placement of their child in the required bilingual education or English as a second language (ESL) program.
 - The purpose, content, and benefits to the student of the recommended bilingual/ESL program.
 - The fact that the recommended bilingual/ESL program is an integral part of the general school program.

6

Slide 6

The letter the district sends to obtain parent or guardian approval for placement in the program must contain the following:

- Level of English proficiency
- Description of the program
- Benefits of the program

It is also important to explain why the program recommendation is offered, and what the parent or guardian can expect of instruction and other services, as per the Elementary and Secondary Education Act of 1965 Public Law 115-141, as amended by the Every Student Succeeds Act (ESSA), section 1112 (2015).

A plan for when the student may graduate and be reclassified, according to the Personal Graduation Plan (PGP) for English learners at high school, may be included along with the benefits of the program.

Parent bilingual and ESL program benefits brochures are available in English, Spanish and Vietnamese at <https://www.txel.org/parents-and-families/>.

Parent or Guardian Rights and Responsibilities: Approval

- The parent or legal guardian shall:
 - Receive written notice of the student's classification as an English learner and the LPAC request for approval of placement of their child in the recommended bilingual education or ESL program **not later than the 10th calendar day after the date of the student's classification**.
 - Provide written approval or denial of placement of their child in the recommended program services.

7

Slide 7

Parent or Guardian Approval

- Parental approval shall be considered **valid for the student's continued participation** in the required bilingual education or ESL program until
 - the student meets the reclassification criteria described in §89.1226(i) of this title (relating to Testing and Classification of Students), or
 - the student graduates from high school, or
 - a change occurs in program placement.
- **Pending parental approval** of an English learner's entry into services, the school district shall place the student in the recommended program.

8

Slide 8

For information on PEIMS codes, please review the following resources on the TEA Bilingual/ESL webpage (<https://tea.texas.gov/academics/special-student-populations/bilingual-esl-education>) under Program Requirement Resources:

- LEP/EL Decision Chart for LPAC with PEIMS codes

- Texas Education Data Standards (TEDS) Section 4 – Description of codes related to English learners

Program Placement, Without Written Approval

A school district may **place in or exit** a student from a program without written approval of the student's parent or guardian if:

- the student is **18 years of age** or has had the disabilities of minority removed;
- the parent or legal guardian provides approval through a **phone conversation or e-mail** that is documented in writing and retained; or
- an adult who the school district recognizes as standing in **parental relation** to the student provides written approval. This may include a foster parent or employee of a state or local governmental agency with temporary possession or control of the student.

9

Slide 9

The LEA must ensure the verbal or email approval is obtained from a verified source.

For students for whom written approval is not immediately obtained, districts should use caution when temporarily coding a student in PEIMS with a **7 – Parent or Guardian did not respond**. Without continuous follow up to ensure parental approval has been obtained, a student's access to program services may be affected, and the district would not generate bilingual education allotment (BEA) funding for that student.

Parent or Guardian Denial

- In cases where a parent or guardian **denies placement** in bilingual education or ESL services, the student:
 - Is identified in PEIMS as an English learner with a parental denial and remains classified as an English learner until the student meets reclassification criteria.
 - Participates in annual the TELPAS assessment until the student meets reclassification criteria.
 - It is the responsibility of the LPAC to monitor the **progress** of all English learners, including those whose parents have denied program services.

10

Slide 10

Review the following information about a student whose parent or guardian denied services.

- The student is an English learner and is coded as LEP/EL in PEIMS.
- The LPAC should inform teachers which students are parent or guardian denials.
- Teachers should be provided TELPAS information on each student, if available, and implement the ELPS in the classroom.
- The student will be assessed through TELPAS.
- The LPAC must annually review the progress of the student.

Dual-Identified Students

When recommending program services for an English learner who is also served through special education, the **LPAC in conjunction with the ARD committee** shall:

- establish placement procedures that ensure that placement in a bilingual education or ESL program is not refused solely because a student has a disability.
- facilitate student participation in other special programs (Advanced Academics/Gifted and Talented, Special Education, Career and Technical Education, Dyslexia, etc.) while ensuring full access to the language program services.

English Learner Services

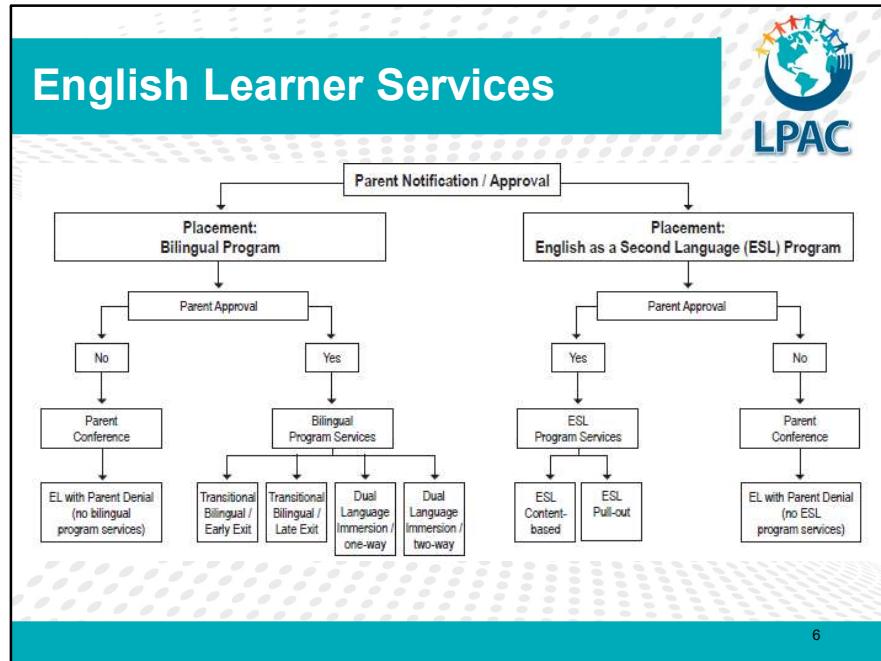

- Bilingual education and ESL programs shall be **integral parts** of the total school program.
- Such programs shall use instructional approaches designed to meet the **specific language needs** of English learners. The basic curriculum content of the programs shall be based on the Texas Essential Knowledge and Skills (**TEKS**) and the English language proficiency standards (**ELPS**) required by the state.

5

Slide 5

The ELPS should be an integral part of the curriculum provided for **all** English learners, including students whose parents or guardians denied services. A link to the ELPS is provided below.

Slide 7

How do districts determine which program they are required to provide?

- If a district has 1+ (one or more) ELs district-wide, they must provide English learner services through one of the two state-approved ESL program models.
- If a district has 20+ (twenty or more) ELs at same grade level who share the same primary language district-wide, they must provide EL services through one of the state's four bilingual education program models in the elementary grades (prekindergarten through grade 5 or 6 if clustered with elementary grades).
- The graphic illustrates the six state-approved program models for ELs.
- There are four bilingual education models approved for implementation in Texas (described further in this training section).
- There are two ESL program models approved for implementation in Texas (described further in this training section).

There is no requirement to provide bilingual education in middle school or high school, but it is allowable to do so. More information on this topic will be shared later in this presentation.

Bilingual Education Program Definition

A bilingual education program of instruction established by a school district shall be a full-time program of **dual-language instruction** (English and primary language) that provides for learning basic skills in the primary language of the students enrolled in the program and for carefully structured and sequenced mastery of English language skills under TEC §29.055(a).

8

Slide 8

Bilingual Education Program Models

The bilingual education program shall be implemented through at least one of the following program models:

- Transitional bilingual/early exit
- Transitional bilingual/late exit
- Dual language immersion/one-way
- Dual language immersion/two-way

Slide 9

Transitional Bilingual/Early Exit

General Description

- Transitional bilingual/early exit is a bilingual program model in which students identified as English learners are served in both English and another language and are prepared to meet reclassification criteria to be successful in English-only instruction not earlier than two or later than five years after the student enrolls in school.

Certifications

- Instruction in this program is delivered by a teacher appropriately certified in bilingual education under TEC, §29.061(b)(1) for the assigned grade level and content area.

Goal

- The goal of early-exit transitional bilingual education is for program participants to utilize their primary language as a resource while acquiring full proficiency in English.

Instructional Approach

- This model provides instruction in literacy and academic content through the medium of the students' primary language, along with instruction in English that targets second language development through academic content.

10

Slide 10

Transitional Bilingual/Late Exit

General Description

- Transitional bilingual/late exit is a bilingual program model in which students identified as English learners are served in both English and another language and are prepared to meet reclassification criteria to be successful in English-only instruction not earlier than six or later than seven years after the student enrolls in school.

Certifications

- Instruction in this program is delivered by a teacher appropriately certified in bilingual education under TEC, §29.061(b) (2) for the assigned grade level and content area.

Goal

- The goal of late-exit transitional bilingual education is for program participants to utilize their primary language as a resource while acquiring full proficiency in English.

Instructional Approach

- This model provides instruction in literacy and academic content through the medium of the students' primary language, along with instruction in English that targets second language development through academic content.

11

Slide 11

Dual Language Immersion/ One-Way

General Description

- Dual language immersion/one-way is a bilingual/biliteracy program model in which students identified as English learners are served in both English and another language and are prepared to meet reclassification criteria in order to be successful in English-only instruction not earlier than six or later than seven years after the student enrolls in school.

Certifications

- Instruction provided in a language other than English in this program model is delivered by a teacher appropriately certified in bilingual education under TEC, §29.061. Instruction provided in English in this program model may be delivered either by a teacher appropriately certified in bilingual education or by a different teacher certified in ESL in accordance with TEC §29.061.

Goal

- The goal of one-way dual language immersion is for program participants to attain full proficiency in another language as well as English.

Instructional Approach

- This model provides ongoing instruction in literacy and academic content in the students' primary language as well as English, with at least half of the instruction delivered in the students' primary language for the duration of the program.

12

Slide 12

Dual Language Immersion/ Two-Way

General Description

- Dual language immersion/two-way is a bilingual/biliteracy program model in which students identified as English learners are integrated with students proficient in English and are served in both English and another language and are prepared to meet reclassification criteria in order to be successful in English-only instruction not earlier than six or later than seven years after the student enrolls in school.

Certifications

- Instruction provided in a language other than English in this program model is delivered by a teacher appropriately certified in bilingual education under TEC, §29.061, for the assigned grade level and content area. ESL Program Definition

An ESL program of instruction established by a school district shall be a program of intensive instruction in English in which ESL teachers recognize and address language differences in accordance with TEC, §29.055(a).

15

Slide 15

ESL Program Models

The ESL program shall be implemented through one of the following program models:

- ESL/content-based
- ESL/pull-out

16

Slide 16

The district must provide an ESL program even if only one student is identified as an English learner.

ESL/Content-Based

General Description

- An ESL/content-based program model is an English acquisition program that serves students identified as English learners through English instruction

Certifications

- by a teacher appropriately certified in ESL under TEC, §29.061(c) through English language arts and reading, mathematics, science, and social studies.

Goal

- The goal of content-based ESL is for English learners to attain full proficiency in English in order to participate equitably in school.

Instructional Approach

- This model targets English language development through academic content instruction that is linguistically and culturally responsive in English language arts and reading, mathematics, science, and social studies.

17

Slide 17

In order to provide a **content-based** ESL program in any grade level, **including high school**, English learners must receive all content instruction (ELAR, math, science, and social studies) by an ESL-certified teacher.

ESL/Pull-Out

General Description

- An ESL/pull-out program model is an English acquisition program that serves students identified as English learners through English instruction

Certifications

- provided by an appropriately certified ESL teacher under the TEC, §29.061(c) through English language arts and reading.

Goal

- The goal of ESL pull-out is for English learners to attain full proficiency in English in order to participate equitably in school.

Instructional Approach

- This model targets English language development through academic content instruction that is linguistically and culturally responsive in English language arts and reading. Instruction shall be provided by the ESL teacher in a pull-out or inclusionary delivery model.

18

Slide 18

In order to provide a **pull-out** ESL program in any grade level, **including high school**, English learners must receive English Language Arts and Reading (ELAR) instruction by an ESL-certified teacher in one of the following ways:

- the ELAR teacher of the English learner is ESL certified
- an ESL certified teacher co-teaches with the ELAR teacher
- an additional ESL/ELAR course provided by an ESL teacher

Summary: State-approved ESL Program Models

| Program Model | Goal | Instructional Approach |
|-------------------|---|---|

Additions to the Required Bilingual or ESL Program

In addition to the required bilingual and/or ESL programs, school districts are authorized to establish a bilingual education program

- even if they have an **enrollment of fewer than 20 English learners in any language classification in the same grade level district-wide** and are not required to do so under subsection (a) of this section. Under this authorization, school districts shall adhere to all program requirements as described in §§89.1210, 89.1227, 89.1228, and 89.1229 of this title.
- at **grade levels in which the bilingual education program is not required** under subsection (a) of this section. Under this authorization, school districts shall adhere to all program requirements as described in §§89.1210, 89.1227, 89.1228, and 89.1229 of this title.

20

Slide 20

English Proficient Student Participation

School districts may enroll students who are not English learners in the bilingual education program or the ESL program in accordance with TEC, §29.058.

- Students who are not English learners (English proficient) must have parent or guardian approval to be enrolled in the bilingual education or ESL program (89.1228 (d)).

21

Slide 21

Dual-Identified Students

As an English learner with special needs is served through both special education and language programs, the district shall:

- Facilitate that support is provided within the language program to ensure access to the content of the student's Individualized Education Program (IEP) goals.
- Ensure that special educators who serve English learners in a self-contained setting are appropriately certified in bilingual education or ESL, in addition to certification in special education.

Staffing

- School districts that are unable to employ a sufficient number of teachers shall:
 - take all reasonable **affirmative steps** to assign appropriately certified teachers to the required bilingual education (BE) and ESL programs.
 - apply on or before **November 1** for an exception to the bilingual education program or a waiver of the certification requirements in the ESL program
 - The approval of an exception to the bilingual education program or an ESL waiver shall be valid only during the school year for which it was granted.

23

Slide 23

Staff Development

- (e) The commissioner of education shall encourage school districts to cooperate with colleges and universities to provide **training** for teachers assigned to the bilingual education and/or ESL programs.
- (f) The Texas Education Agency shall develop, in collaboration with **education service centers**, resources for implementing bilingual education and ESL training programs. The materials shall provide a framework for:
 - (1) developmentally appropriate bilingual education programs for early childhood through the elementary grades;
 - (2) affectively, linguistically, and cognitively appropriate instruction in bilingual education and ESL programs in accordance with §89.1210(b)(1)-(3) of this title (relating to Program Content and Design); and
 - (3) developmentally appropriate programs for English learners identified with multiple needs and/or exceptionalities.

Slide 24

Required Summer School Programs

- Summer school programs that are provided under the Texas Education Code (TEC), §29.060 for English learners who will be eligible for **admission to kindergarten or Grade 1** at the beginning of the next school year shall be implemented in accordance with this section.
- A parent or guardian must have **approved placement** of the English learner in the required bilingual or ESL program.

Review and Reclassification Section Objective

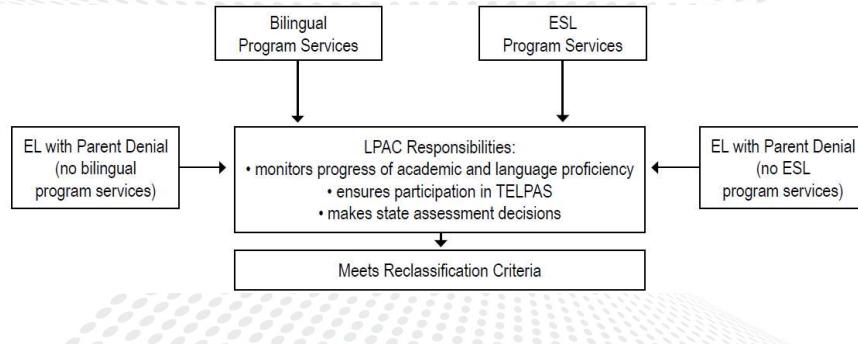

Content Objective

We will be able to summarize the requirements for conducting **ongoing and annual review** of English learner progress and criteria for **reclassification** of students as English proficient.

4

Slide 4

Ongoing/Mid-Year Review

5

Slide 5

Ongoing Monitoring of English Learners

For English learners participating in a program and those with a parental denial, the LPAC

- monitors the progress of **academic and language** proficiency and
- ensures participation in **TELPAS** (listening, speaking, reading, and writing) until reclassification as an English proficient student.

6

Slide 6

The students' teachers should be aware of which students have a parental denial of program services.

The LPAC should continue to communicate with the students' parents or guardians throughout the school year, providing updates on the students' progress.

State Assessments: LPAC Decision-Making

Close to the time of testing administration of the state criterion-referenced test (STAAR) each year, the language proficiency assessment committee shall

- determine the appropriate **assessment option** for each English learner.
- make **designated support** decisions based on
 - an individual student's particular needs for second language acquisition support and
 - whether the student routinely, independently, and effectively uses the designated support in instruction and classroom testing.

7

Slide 7

LPACs are responsible for following administrative procedures in the guide, making decisions on an individual student basis, working as a committee to make decisions, and maintaining the required documentation.

LPACs must coordinate with subject-area teachers. Providing unfamiliar accommodations may hinder rather than help a student.

Designated support decisions should be made as close as possible to the assessment to account for the student's progress in acquiring the English language.

LPACs may not recommend designated supports, special assessment considerations, or accountability provisions for an English learner whose parents or guardians have denied bilingual or ESL services. This includes no designated supports, no testing in Spanish, no English I special provision, and no unschooled asylee or refugee provisions.

State Assessments: LPAC Decision-Making

- For English learners who are receiving program services, the LPAC shall:
 - **Make decisions** that are applicable for all assessments administered in the current school year and may carry over decisions from **spring to summer administrations**.
 - Identify **STAAR designated supports** (for English learners receiving services only), keeping in mind some supports may prevent the student from being considered for reclassification at the end of the year.
 - Document any **changes in a student's situation** that have occurred between administrations, especially if a student no longer requires designated supports.

TELPAS Participation

- Texas English Language Proficiency Assessment System (**TELPAS**) and **TELPAS Alternate**:
 - Fulfill federal requirements for annually assessing English language proficiency of ELs in K-12
 - Assess language proficiency in listening, speaking, reading and writing
- For TELPAS assessments, all English learners are assessed, regardless of whether parents or guardians have denied bilingual education or ESL program services.
- For ELs receiving special education services, the LPAC works in conjunction with the admission, review, and dismissal (ARD) committee.

Alternate English Language Proficiency (ELP) Assessment

34 CFR §200.6(h)(5) requires that a State administer an **alternate ELP assessment** for English learners with the most significant cognitive disabilities who cannot participate in the ELP assessment, even with appropriate accommodations.

Texas developed the **TELPAS Alternate**, a holistic inventory that assesses English language proficiency to

- satisfy the alternate ELP assessment requirement for students with the most significant cognitive disabilities **AND**
- reduce exemptions from specific language domains on TELPAS. [TELPAS Alternate](#)

LPAC Decision-Making for Dual-Identified Students

- 19 TAC Chapter 101 of the TAC requires the LPAC **to work in conjunction with the ARD Committee** to make assessment decisions for English learners who are also eligible for special education services.
- This collaboration helps ensure that factors related to a student's **disability and second language** acquisition are both carefully considered.

LPAC Annual Review

At the end of the year, the LPAC reviews every English learner identified in PEIMS

- being served in a bilingual or ESL program;
- with a parental denial; and
- who has been reclassified as an English proficient student and is in his or her first (F) or second (S) year of monitoring.

For each English learner, the LPAC **reviews the progress** of academic and language proficiency, determines if **reclassification criteria** has been met, and **notifies** the parent or guardian of progress and reclassification/exit, as applicable.

15

Slide 15

The LPAC end-of-year review may include:

- Benchmarks
- Classroom Tests
- State Criterion-Referenced Test Data
- Norm-referenced English and Spanish (when applicable) Standardized Achievement Test Data
- Oral Language/English Language Proficiency Test Data
- TELPAS, Primary Reading Assessments, etc.
- Passing grades in all subjects and courses taken
- Any input that will give a well-rounded picture of the student's growth and progress

Reclassification of English Learners

For **exit** from a bilingual education or ESL program, a student may be classified as English proficient only at the end of the school year in which a student would be able to participate equally in a general education, all-English instructional program:

- (1) a **proficiency rating** on the state-approved English language proficiency test for reclassification that is designated for indicating **English proficiency** in each the four language domains (**listening, speaking, reading, and writing**);
- (2) **passing standard** met on the reading assessment instrument under the Texas Education Code (TEC), §39.023(a), or, for students at grade levels not assessed by the aforementioned reading assessment instrument, a score at or above the **40th percentile on both the English reading and the English language arts** sections of the state-approved norm-referenced standardized achievement instrument; and
- (3) the results of a **subjective teacher evaluation** using the state's standardized rubric.

Subjective Teacher Evaluation

To meet ESSA Title III, Part A requirements as described in the Texas ESSA State Plan for a standardized, statewide exit criteria, the *English learner Reclassification Rubric* is utilized for the Subjective Teacher Evaluation portion of the reclassification criteria.

The *English Learner Reclassification Rubric-Alternate* is utilized for English learners with a significant cognitive disability to fulfill the Subjective Teacher Evaluation portion of the individualized reclassification criteria.

English Learner Reclassification Rubric- ALTERNATE

TEA

This document fulfills requirements in **TAC 29.056(g)(3)** for the subjective teacher evaluation component of the reclassification criteria for English learners who meet the **definition of a student with a significant cognitive disability**. This rubric provides teacher documentation as part of the **individualized reclassification process** in accordance with **TAC 89.1226(h)(1), (I), and (m)** and informs the Language Proficiency Assessment Committee (LPAC) in conjunction with the **Admission, Review, and Dismissal (ARD) Committee** when making reclassification decisions. Caution should be exercised when considering the reclassification of students using the **individualized process**.

Decisions Pending Results

If STAAR results are not yet available when the LPAC meets at the end of the school year to make reclassification decisions, the LPAC will conduct the following process:

- The LPAC makes the decision for reclassification, **pending STAAR results**, if the student has met all other reclassification criteria and if the LPAC determines that the student will be ready for reclassification if STAAR results demonstrate that the student has met standard (Approaches, Meets, or Masters levels).
- The LPAC must have a **follow-up process** as soon as scores are received by the district to enact on the LPAC reclassification decisions pending STAAR results.
- Once scores are received, a **member of the LPAC** will enter the scores into the LPAC documentation and complete the reclassification process for eligible students without the need for another LPAC meeting.

20

Slide 20

The school district shall give **written notification** to the student's parent or guardian of the student's reclassification as English proficient and his or her exit from the bilingual education or ESL program and acquire written approval as required under the Texas Education Code, §29.056(a).

Reclassification of English Learners

- A student in **prekindergarten or kindergarten** may **not be reclassified** as an English learner; the first opportunity for an English learner to be considered for reclassification is in grade one.
- A school district must ensure that English learners are prepared to meet academic standards required by the TEC, §28.0211.

21

Slide 21

Reclassification of Dual-Identified Students

- For English learners who are also eligible for special education services, the district assures that:
 - decisions regarding reclassification as English proficient are made by the **LPAC in conjunction with the ARD committee**, implementing assessment procedures that differentiate between language proficiency and disabling conditions; and
 - the **standardized process** for English learner reclassification is followed, **EXCEPT** in cases where the student has a **significant cognitive disability** and the individualized process for reclassification is used.

22

Slide 22

<https://tea.texas.gov/academics/special-student-populations/special-education/programs-and-services/state-guidance/guidance-related-to-ard-committee-and-lpac-collaboration>.

Reclassification of English Learners with Significant Cognitive Disabilities

- For English learners with significant cognitive disabilities, the **LPAC in conjunction with the ARD committee** shall meet and may:
 - determine that the state's English language proficiency assessment for reclassification is not appropriate because of the nature of the student's disabling condition;
 - may recommend that the student take the state's alternate English language proficiency assessment (TELPAS Alt) and shall determine an appropriate performance standard requirement for reclassification by language domain.

Parent or Guardian Notification and Approval

- The school district shall:
 - Give **written notification** to the student's parent or legal guardian that his or her child has met all criteria to be reclassified as English proficient;
 - Share the LPAC's recommendation for **program exit or for continued participation** in program (e.g. for students in a dual language immersion program);
 - Acquire **written parental approval**, as appropriate, for exit from the bilingual education or ESL program, and as required under the Texas Education Code, §29.056(a).

25

Slide 25

Emphasize that the LPAC determines student reclassification; the parents or guardians provide permission for program exit. Reclassification does not always equate with program exit. For example, for students participating in a dual language program, one-way or two-way, continued program participation after reclassification is a foundational expectation of the program model.

According to TAC 89.1220 (m), a school district may **place or exit** a student in a program without written approval of the student's parent if:

- (1) the student is 18 years of age or has had the disabilities of minority removed;
- (2) the parent provides approval through a phone conversation or e-mail that is documented in writing and retained; or
- (3) an adult who the school district recognizes as standing in parental relation to the student provides written approval. This may include a foster parent or employee of a state or local governmental agency with temporary possession or control of the student.

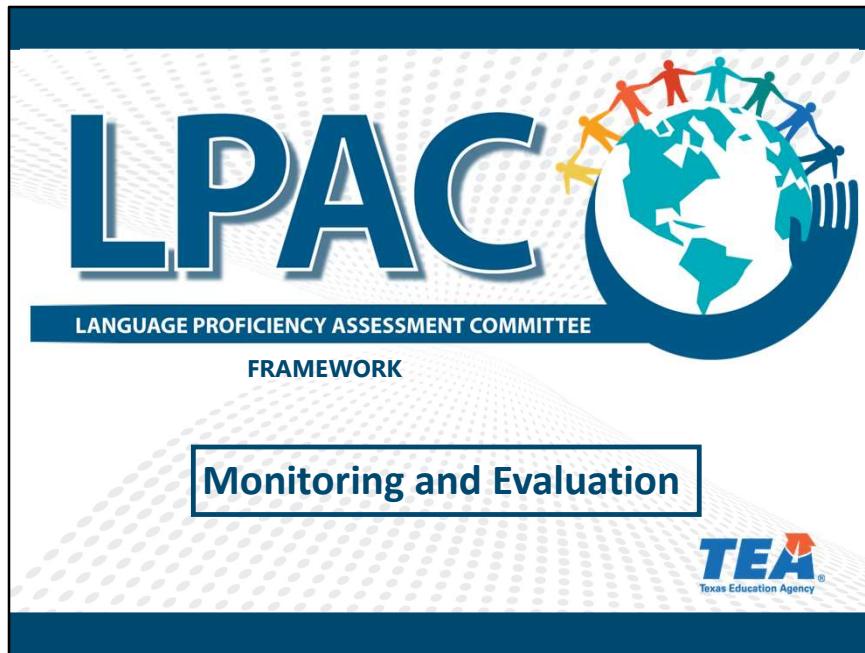

Parent or Guardian Notification and Approval

- Students meeting the requirements for reclassification may, at **parent or guardian request, continue** in the bilingual education or ESL program, at the district's discretion.
- Only reclassified students who continue to participate in **dual language two-way** programs **will continue** to generate bilingual education allotment **funds**.

Reclassified Students (F&S Only)

In accordance with TEC, §29.0561, the language proficiency assessment committee shall review the student's performance and consider:

- (1) the **total amount of time** the student was enrolled in a bilingual education or special language program;
- (2) the student's **grades** each grading period in each subject in the foundation curriculum;

After an evaluation under this section, the language proficiency assessment committee may require intensive instruction for the student or reenroll the student in a bilingual education or special language program.

Monitor Year (3) and (4) Students

- The LPAC's sole responsibility for students in monitoring years 3 and 4 is to **coordinate with PEIMS** to ensure that students are coded appropriately.
- The LPAC **does not monitor academic progress** of students in monitoring years 3 and 4.
- ESEA requires this data collection **for accountability purposes only**.
- This is a **federal requirement**.
