# Session Objectives

## Content Objective

- Today I will explore **TELPAS speaking domain** in order to craft connections to TELPAS PLDs.

## Language Objective

- Today I will share different ideas on **how to implement scaffolding strategies** in the classroom based on TELPAS speaking PLDs.

Describe what you ate for breakfast today.

Describe what you ate for breakfast today.

A photograph of a breakfast table. In the foreground, a wicker basket is filled with several golden-brown, oval-shaped bread rolls. To the right, a stainless steel pan on a white plate contains two sunny-side-up eggs with bright orange yolks. In the background, a glass of orange juice and a plate of food are visible. A semi-transparent yellow rounded rectangle is centered over the image, containing a list of topics in orange text.

# ELPS-TELPAS PLDs 2-12 Speaking

**Advanced** ELLs have the ability to speak using grade appropriate English, with second language acquisition support, in academic and social settings.

- Are able to participate comfortably in most conversations and academic discussions on familiar topics, with some pauses to restate, repeat, or search for words and phrases to clarify meaning.
- Discuss familiar academic topics using content-based terms and common abstract vocabulary, can usually speak in some detail on familiar topics
- Have a grasp of basic grammar features, including a basic ability to narrate and describe in present, past and future tenses; have an emerging ability to use complex sentences and complex grammar features
- Make errors that interfere somewhat with communication when using complex grammar structures, long sentences, and less familiar words and expressions
- May mispronounce words, but use pronunciation that can usually be understood by people not accustomed to interacting with ELLs

**Advanced High** ELLs have the ability to speak using grade appropriate English, with minimal second language acquisition support, in academic and social settings.

- Are able to participate in extended discussions on a variety of social and grade-appropriate academic topics with only occasional disruptions, hesitations or pauses
- Communicate effectively using abstract and content-based vocabulary during classroom instructional tasks, with some exceptions when low-frequency or academically demanding vocabulary is needed; use many of the same idioms and colloquialisms as their native English-speaking peers
- Can use English grammar structures and complex sentences to narrate and describe at a level nearly comparable to native English speaking peers.
- Make few second language acquisition errors that interfere with overall communication
- May mispronounce words, but rarely use pronunciation that interferes with overall communication
