

REGION ONE EDUCATION SERVICE CENTER

Meeting the Needs of English Learners with Special Needs

Participants will analyze the second language acquisition process and the benefits of enrichment language program models for English Learners, including students with special needs. They will also explore the 13 disability categories under IDEA and what role the first and second language plays in the students affective, cognitive, and linguistic development.

WS# 177305

March 30-31, 2021 1PM - 4PM

Note: If participants are Special Education teachers or attend with a Special Education teacher, they can attend for free by using code SPED when asked for a PO.

Zoom links will be shared with participants after they register:
