# The Journey of Excellence: HB 3906 Educator Forum

House Bill (HB) 3906 passed by the 86th Texas Legislature creates transformative changes to the STAAR assessment program. The transition includes online assessments, new item types, additional writing in reading language arts, and cross-curricular passages. Learn how to successfully plan and prepare for the significant changes brought about by HB 3906.

As part of the full-day virtual session, the Texas Education Agency will conduct an overview of the new assessment program, share item types, and seek feedback from Region One district leaders. Convene a leadership team to participate in the HB 3906 Educator Forum to ensure a seamless transition to deeper learning and increased student achievement.

## Key Areas of Discussion:
