## Accelerating Achievement

**\$219 • WS #33369**

In this active workshop, you will experience strategies that dramatically **increase the achievement of all students**—especially low-achieving and low-ability pupils—derive the rationale, and learn ways to adapt them to your own classroom.

- Boost test scores with an approach that is backed by scientific studies and loved by teachers
- Experience easy-to-implement, research-based cooperative instructional strategies
- Accelerate content knowledge with structures for mastery and retention
- Watch all students excel, especially lower achievers
- Give every student a circle of peer encouragement, support, and tutoring
