**Sunshine and Sulcatas – October 13th @ 12:30**

## Zooming with Terry & Friends - Sunshine and Sulcatas

Teacher's districts MUST be members of the Academic Content or Head Start Co-ops in order to schedule their zoom interaction.

\* Required

### Live Zoom Description

Each available date has a predetermined interaction choice that cannot be changed. Each teacher attending will need to fill out a separate google form with their class information. Please note, you may be attending this zoom with other Region 7 early childhood teachers.

### Sunshine and Sulcatas

Sunshine and Sulcatas' investigation is sure to make you smile! These tortoises love the Texas sunshine and eating fresh fruits and vegetables! They also have an indoor habitat to accommodate them when the weather gets too cold. Snail, Slowpoke, and Suli are anxious to meet you!
