**Amazing Aquatics - February 9<sup>th</sup> @ 12:30**

## Zooming with Terry & Friends - Amazing Aquatics

Teacher's districts MUST be members of the Academic Content or Head Start Co-ops in order to schedule their zoom interaction.

\* Required

### Live Zoom Description

Each available date has a predetermined interaction choice that cannot be changed. Each teacher attending will need to fill out a separate google form with their class information. Please note, you may be attending this zoom with other Region 7 early childhood teachers.

### Amazing Aquatics

Splash into the amazing world of aquatic animals. This exploration will dive into a variety of animal life cycles, basic needs, and fun facts. Learn all about turtles, frogs, native fish, and other aquatic species.
