

SPRING 2022

# TELPAS VIRTUAL ACADEMY

Accelerating English Learner Progress through  
Cognitive and Linguistic Scaffolding Strategies

**WS# 213526**

**01/07, 01/21, 02/4 & 02/18**

**8:30AM-3:30PM**

During this virtual academy, teachers of Emergent Bilingual learners will engage in dynamic, hands-on, professional learning experiences to enhance their understanding of the TELPAS Proficiency Level Descriptors and how to implement technology tools and innovative practices in their classrooms to increase academic language proficiency.

Registered participants will receive Zoom information a day before the session:
