

# 8TH ANNUAL TITLE III INSTITUTE

## PARENT OUTREACH, FAMILY ENGAGEMENT, AND COMMUNITY PARTICIPATION

This online session will be conducted in Spanish for the parents and families of emergent bilingual students. They will be informed about the assessment and identification of emergent bilingual learners, placement procedures, and school policies. Parents will receive resources and learn strategies that they may use to support their efforts in ensuring their children's linguistic, affective, and cognitive development at home. We will also have community organizations sharing valuable information with participants!

***Your EB families cannot miss this online event!***

**MAY 5, 2022**  
**9:00AM - 12:00PM**
