#### CME Accreditation Statement

DHR Health is accredited by the Texas Medical Association to provide continuing medical education for physicians. DHR Health designates this live activity for a maximum of 10.50 AMA PRA Category 1 Credit(s) <sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### Nursing Statement

DHR Health is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. DHR Health provides up to 10.50 contact hours for successful completion of this educational activity. AMA PRA Category 1 Credits™ Nursing Contact Hours

#### Statement of Need

The course is designed for practitioners who see patients with neurological disorders and intends to provide a practical review with emphasis in recent advances and current guidelines. This activity will convey best practices and provide the practitioner with the knowledge to be able to recognize, diagnose and manage common neurological problems. Speakers will present and assess recent advancements and updates in Neuroscience, with the goal of enhancing the knowledge-base and core competence of attendees.

#### Learner Objectives

- Discuss strategies to manage opioid medication for chronic spine pain.
- Discuss general updates for neuroimaging, neuro-infections and neuro-immunology.
- Discuss management of patients with strokes and prevention strategies.
- Identify and differentiate types of Seizures and develop a management plan.
- Discuss updates on Parkinson's disease and Movement Disorders.

#### Target Audience

This activity is planned to meet the needs of the following healthcare professionals, all practicing physicians, advanced healthcare providers, nurses, EMS and those who have direct patient care.
