

FALL 2022

TELPAS VIRTUAL ACADEMY

Accelerating Emergent Bilingual Student Progress
through Cognitive and Linguistic Scaffolding Routines

WS# 243807

10/18, 11/01, 11/15 & 11/29 8:30AM-3:30PM

During this virtual academy, teachers of Emergent Bilingual learners will engage in dynamic, hands-on, professional learning experiences to enhance their understanding of the TELPAS Proficiency Level Descriptors and how to implement technology tools and innovative practices in their classrooms to increase academic language proficiency.

Participants will receive Zoom information after registering online at:
www.escl.net/staffdevelopment

For more information, please contact:
Karina Chapa, Director kchapa@escl.net
Diana Gonzalez, Program Assistant dgonzalez@escl.net
