SPRING 2023

TELPAS VIRTUAL ACADEMY: DOMAIN BY DOMAIN

Accelerating Emergent Bilingual Student Progress through Cognitive and Linguistic Scaffolding Routines

SPEAKING: WS# 261543
01/25/23 8:30AM-3:30PM

WRITING: WS# 261544
01/31/23 8:30AM-3:30PM

During this virtual academy, teachers of Emergent Bilingual learners will engage in dynamic, hands-on, professional learning experiences to enhance their understanding of the TELPAS Proficiency Level Descriptors and how to implement technology tools and innovative practices in their classrooms to increase academic language proficiency.

Participants will receive Zoom information after registering online at:
www.esc1.net/staffdevelopment

$100

**per person
per session**
