

3rd Annual Dual Language Virtual Symposium

The Science of Teaching Reading in Dual Language Programs

Come join a fantastic lineup of educational experts, practitioners, researchers, and policymakers to collaboratively explore innovative strategies and evidence-based practices, within the context of the Science of Teaching Reading, in order to enhance academic achievement, bilingualism/biliteracy, and socio-cultural competence in Dual Language programs.

📅 Monday, June 10th and Tuesday, June 11th, 2024

🕒 8:15 AM - 4:00 PM Central Time

100%
ONLINE

Live through Zoom. Full Symposium will be recorded and shared with registered participants for 90 days!

WS# 317072 FEE\$250
