JagPRIDE Data Collection

Purpose: Assessment of demonstrated student skills;

- Not a faculty evaluation
- Not assessed by the following:
 - Course Grade
 - Gut instincts and/or Met for all scores without assessment

Goal: Reliable and valid data that informs instruction, curriculum and departmental decisions related to student learning

Call for Action: Collaborative effort to prioritize the relevance of student learning outcomes (Accreditation)

Who sees the data?

- Faculty
- Program Chairs
- Deans / VP
- Accreditation Team

SACSCOC ACCREDITATION

FEEDBACK

Compliance Flags/Concerns

Data

- Student Data 100% across the board

Instructional Strategies

- Not designed to improve student learning, focused on assessment tools or process

Assessment Methodologies

- Vague
- Stated as learning objectives and does not describe the actual assessment
- How many? How are they graded? Is there a rubric?

Consistent Process

Alignment

Seeking Improvement

JagPRIDE Overview Part I

2025-2026 

- Updates: Scheduled Session Data Loads

- Data is due the same day grades are due

- Signatures are due when the last section is due

- Email reminders are sent the week before data is due for each session

- Pending data emails are sent until the data is complete. Deans are included three days after the due date.

- PLOs: Use the JagPRIDE Activities menu option as a reference for Assessment Methodology and Expected Proficiency

- Core Objectives: Scored using the the instiutional rubrics
