JSTOR AI Research Tool

The **JSTOR AI Research Tool** is a new feature that helps you find and understand information from JSTOR faster. Instead of just typing in keywords, you can ask it questions and it will show you short summaries and helpful articles.

How to use:

- Linked in to South Texas College

- Logged in to JSTOR with their personal accounts

<https://library.southtexascollege.edu/>

Thank You

"The academic library is a partner in teaching, learning, and research—an essential collaborator in student and faculty success."
