

ESC 1 POP-Off Rally

Monthly Office Hours for Every Educator

Join us for Monthly Office Hours and make this your best year of teaching yet! This free, recurring series gives BrainPOP educators across ESC1 districts a dedicated space every month to ask questions, share wins, and get real-time support from a BrainPOP team member.

Each session is split into 30 minutes for teachers and 30 minutes for administrators—so everyone walks away with practical strategies, fresh ideas, and the confidence to keep growing all year long. From back-to-school kick-off through end-of-year celebration, we'll be right there with you every step of the way.

What to Expect Each Month

Open Q&A for Teachers

Bring your questions, challenges, and classroom wins. Every session offers real-time support, troubleshooting, and instructional tips from a BrainPOP facilitator tailored to where you are in the school year.

Open Q&A for Administrators

Check in on usage data, get coaching support strategies, and leave with data-informed next steps aligned to the current phase of the school year.

Peer Connection

Connect with fellow BrainPOP educators across ESC1 districts, share what's working, and learn from each other's experiences.

Feature Previews

Get an early look at upcoming BrainPOP features and discover new tools before they roll out widely.

On-Demand Recordings

Can't make it live? Every session is recorded and made available to all ESC1 educators so you never miss a beat.
