Testing & Education Reference Center

Dependable guidance for college and career planning

Testing & Education Reference Center (TERC) helps students prep for standardized tests, find undergraduate and graduate school programs, get tuition assistance, and explore careers.

Testing, certification, and more

Testing & Education Reference Center features resources for high schoolers, recent graduates, and career-focused individuals:

- **Test prep** — Full-length, timed practice exams that simulate the actual testing experience for AP, ACT, SAT, PSAT, GED, HiSET, and TASC exams. Diagnostic pre-tests help students determine where they stand and how much prep they need before taking an exam.
- **College planning** — Intuitive searches and quick results deliver information on more than 4,000 accredited schools including school's location, tuition, academics, admission requirements, campus life, and much more.
- **Financial aid tools** — Help with undergraduate scholarship search, financial aid award analyzer, college savings calculator, tuition cost finder, and more.
- **Career development** — Includes standardized tests to help users map interests and aptitudes to the most suitable job categories, industries, and occupations. The Résumé Builder and Virtual Careers Library tools help students build essential career skills—like how to build a résumé, cover letter, and interviewing tips for users at all career stages.
- **International tools** — Help individuals prepare to pass the TOEFLiBT, TOEFL (PBT), TOEIC, and U.S. Citizenship tests with online practice tests and ebooks.
