

# Discover MAARS

The Migrant Academic Achievement Residential Summer (MAARS) Program is designed to help aspiring 11th- and 12th-grade high school migrant and seasonal farm-working students in their pursuit of higher education with a six-week college residential experience.

## The MAARS Experience

- Earn up to two high school credits.
- Tour of Texas colleges and universities.
- On-campus college residential experience.
- Biweekly living allowance (\$100) and final program living allowance (\$900).
- Access to the TSTC Wellness & Sports Center.
- College readiness and leadership seminars.
- Technical program career exploration.
- Cultural activities.
- Community service projects.
- Graduation ceremony.
