# Master & Mentor Teacher Responsibilities

Master Teacher	Both	Mentor Teacher
<ul style="list-style-type: none"> <li>• Coach new, first year, and other identified teachers for a minimum of 3 hours per week</li> <li>• Create an atmosphere and attitude conducive to learning</li> <li>• Improve pedagogical instructional strategies and classroom management practices</li> <li>• Team teach with colleagues, model lessons, and help implement curriculum</li> <li>• Identify, schedule, and implement opportunities for teachers to observe or co-teach with skilled teacher(s)</li> <li>• Oversee planning, facilitation, and follow-up of all group meetings (teacher small groups, six one-hour round table discussions, etc.)</li> <li>• Collaborate with campus principals to ensure all students are learning from effective teachers that demonstrate mastery in their professional content</li> <li>• Participate in monthly video conference discussion meetings</li> <li>• Guide the utilization of data to improve teaching</li> <li>• Conduct classroom observations each year as part of the core team <i>(Note: Classroom observations by Master Teachers serve the purpose of establishing coaching relationships to effectively respond to a mentee's needs. Master Teachers do not conduct any type of summative evaluation comparable to a summative T-TESS appraisal by the campus principal or other designated appraiser.)</i></li> </ul>	<ul style="list-style-type: none"> <li>• <b>Attend a total of 40 hours of professional development per year provided by Region One</b></li> <li>• <b>Attend a Master Mentor Summer Institute training provided by Region One ESC</b></li> <li>• <b>Engage in professional development activities that are both self and team-directed</b></li> <li>• <b>Work closely with Project <i>RISE</i> team to ensure effective grant implementation</b></li> <li>• <b>Participate in additional Project <i>RISE</i> trainings and meetings</b></li> <li>• <b>Follow all administrative procedures and policies of the school and district</b></li> <li>• <b>Attend monthly sessions related to operational topics at campus</b></li> <li>• <b>Meet additional requirements as indicated by the campus leadership team</b></li> <li>• <b>Meet additional requirements as indicated by the Project <i>RISE</i> Director</b></li> </ul>	<ul style="list-style-type: none"> <li>• Mentor new and first year teachers for a minimum of 3 hours per week</li> <li>• Support an atmosphere and attitude conducive to learning</li> <li>• Collaborate with teachers on subject/grade level planning</li> <li>• Support the improvement of pedagogical instructional strategies and classroom management practices</li> <li>• Assist with lesson planning, model lessons, and support with classroom management</li> <li>• Provide ongoing formative feedback of first year and new teacher performance (based on clearly defined teaching standards and expectations)</li> <li>• Support and facilitate opportunities for new teachers to regularly observe or co-teach with skilled teachers</li> <li>• Facilitate follow-up discussions of classroom observation results and co-teaching experiences</li> <li>• Participate in six one-hour round table discussions for first year and new teachers</li> <li>• Support the mentee on utilization of data to improve teaching</li> <li>• Support campus Master Teacher in implementing initiatives tied to grant goals and objectives</li> </ul>

# Professional Development Handbook

---

➤ Updated Copy Provided

➤ PAC Review

# Purpose of Professional Development

**What** defines professional development?

## Formal learning:

- ✓ conference or workshop
- ✓ collaborative learning within a team
- ✓ a course at a college or university

## Informal learning:

- ✓ observing and learning from others
- ✓ discussions among peers
- ✓ independent reading and research

Improve educator effectiveness to positively impact student learning

# Purpose of Professional Development

## *cont.*

**Why** do educators need ongoing professional development?

### ALL teachers:

- ✓ complexity of teaching
- ✓ changes in content
- ✓ new instructional methods and technology
- ✓ needs of diverse learners

### NEW teachers:

- ✓ classroom management
- ✓ curriculum
- ✓ state testing
- ✓ interacting with parents and other teachers

Effective professional development gives educators the tools and skills to master the challenges of teaching and to positively impact student learning.

# Purpose of Professional Development

## *cont.*

---

**When** do public school educators typically engage in professional development?

- before classes begin
- after classes end
- embedded in the educators' daily work

Research has shown that training that is school-based, collaborative, continuous, and embedded in the context of educators' daily work is the most effective.

# Standards for Professional Learning

Professional learning that increases educator effectiveness and results for all students:

Occurs within **LEARNING COMMUNITIES** committed to continuous improvement, collective responsibility, and goal alignment.

Requires skillful **LEADERSHIP** that develops capacity, advocates and creates support systems for professional learning.

Requires prioritizing, monitoring, and coordinating **RESOURCES** for educator learning.

Uses a variety of sources and types of student, educator, and system **DATA** to plan, assess, and evaluate professional learning.

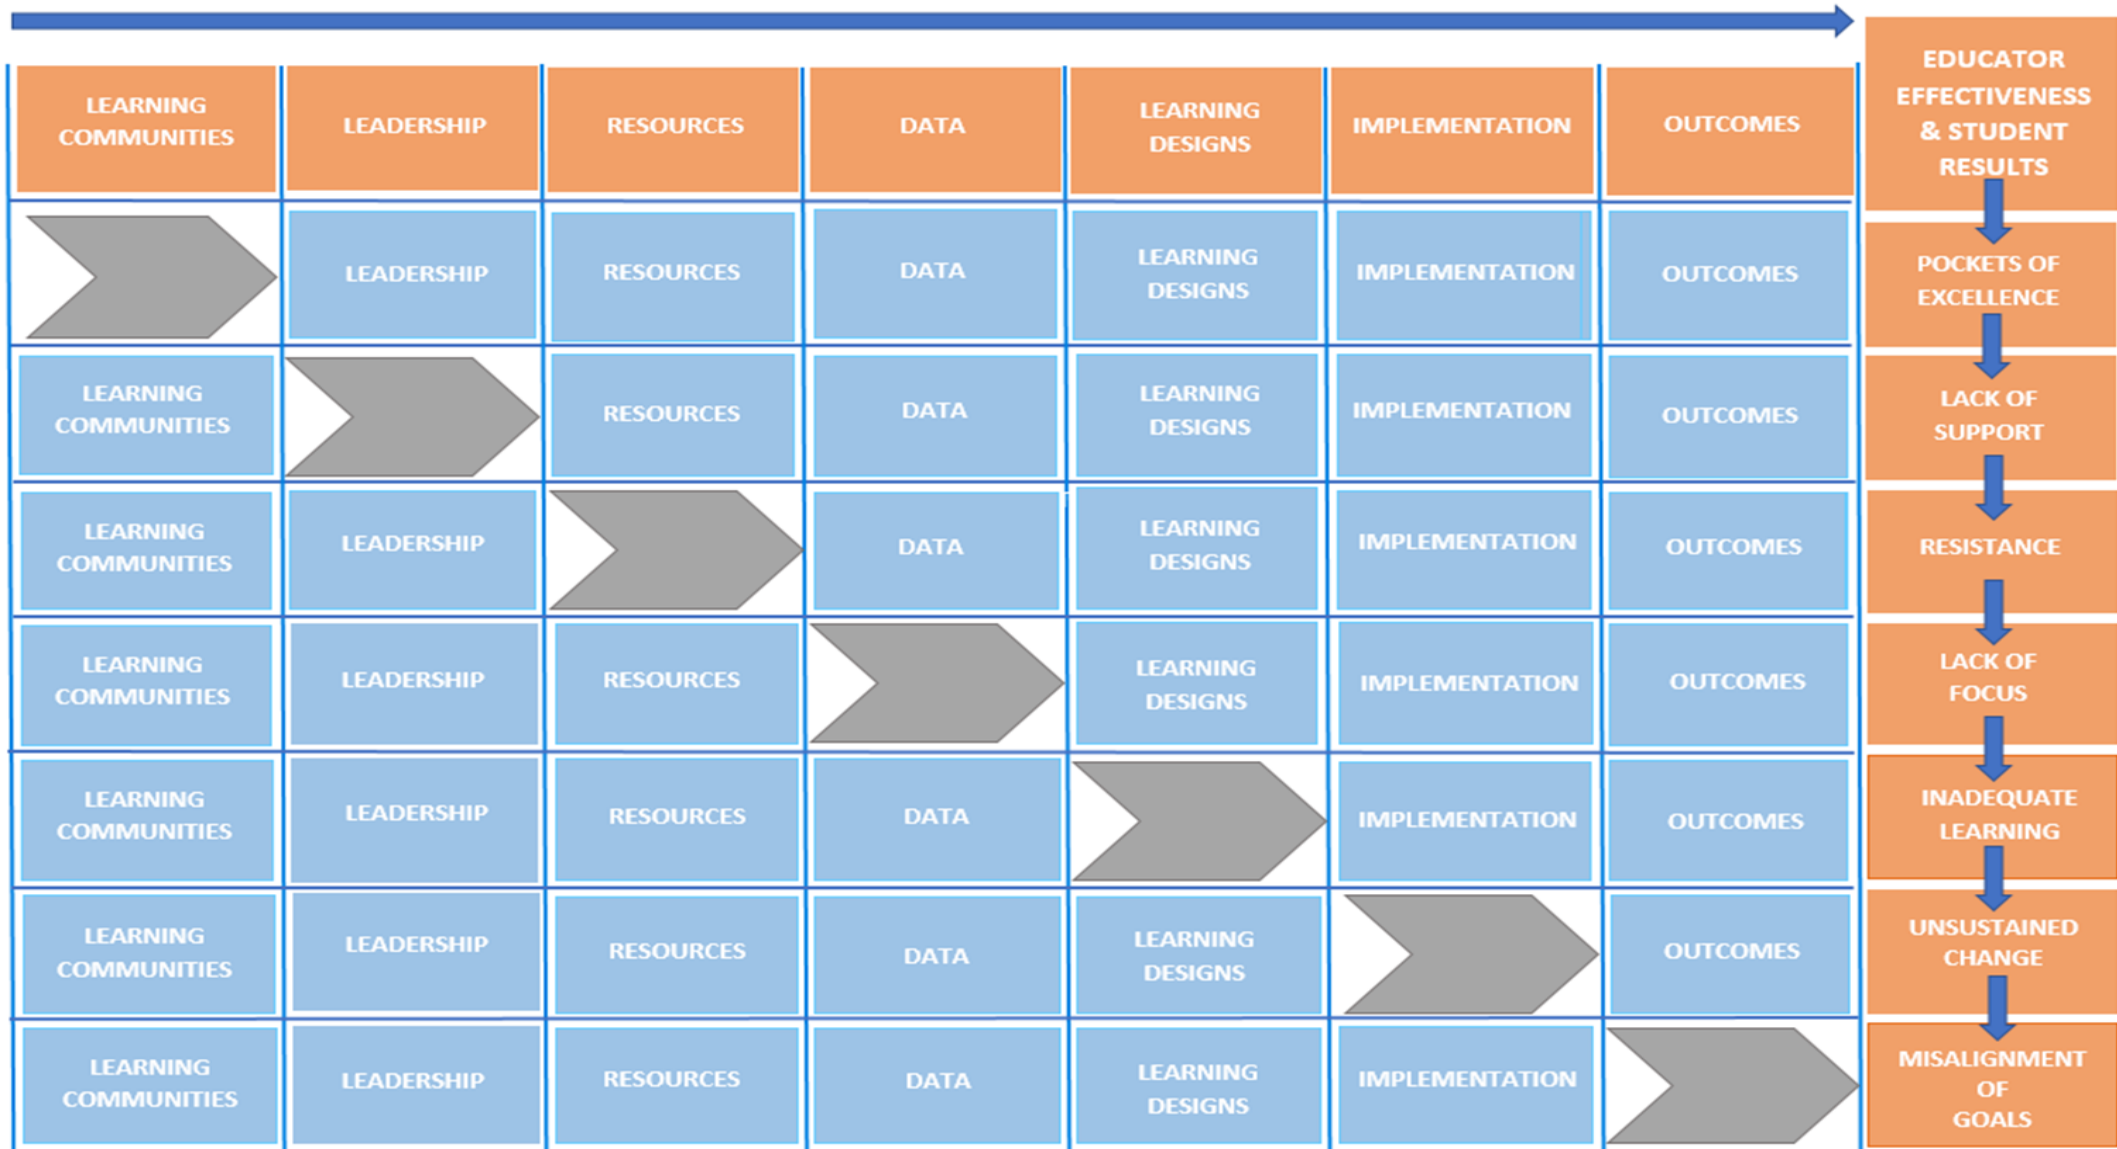

Integrates into its **LEARNING DESIGNS**, theories, research, and models of human learning to achieve its intended outcomes.

Applies research on change and sustains support for **IMPLEMENTATION** of professional learning for long-term change.

Aligns its **OUTCOMES** with educator performance and student curriculum standards.

# Refining Instructional Strategies

# Professional Development Support

Region One, in partnership with reputable higher education institutions, will provide year-round professional development to participating Project *RISE* staff including:

- ✓ Teachers
- ✓ Master teachers
- ✓ Mentor teachers
- ✓ Principals
- ✓ Assistant Principals
- ✓ Other School Leaders

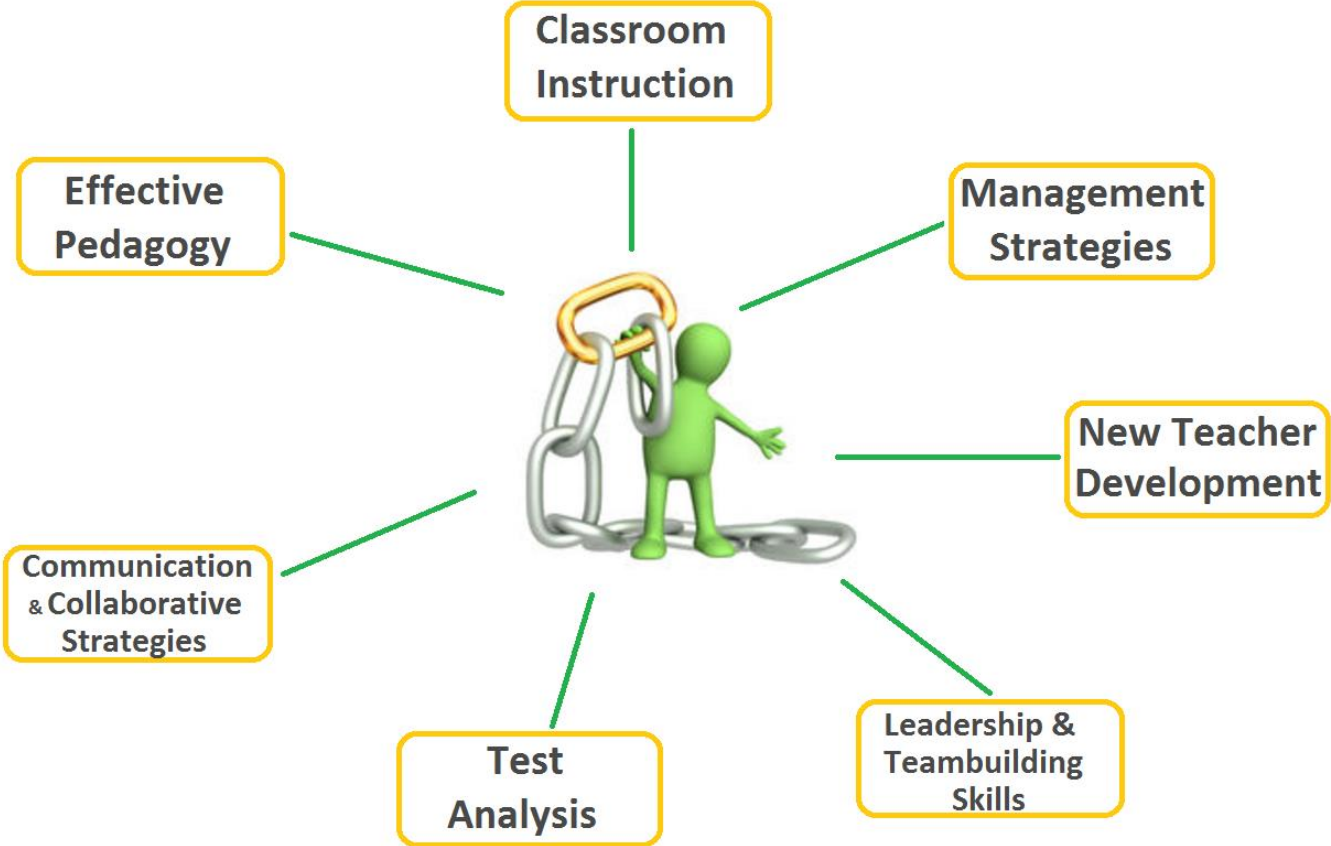

*Professional Development Support*

*Figure 7*

# Connecting Professional Development

Participating campuses will receive professional development that directly aligns with professional learning topics that will build teacher capacity and lead to school improvement.

# Topics for Professional Development

p. 13

- ✓ **Classroom Instruction** - Strategies infused with technology to help at-risk students acquire the academic, linguistic, social and technological skills needed for success.
- ✓ **Effective Pedagogy** - Training on successful instructional and pedagogical practices for diverse learners.
- ✓ **Management Strategies** - Classroom management techniques and engagement strategies along with interventions to accelerate learning.
- ✓ **New Teacher Development** - Customized and job-embedded support will be based on the needs of new teachers including guidance on lesson planning and modeling lessons.

# Topics for Professional Development

p. 13

- ✓ **Communication and Collaborative Strategies** - Support teachers with extended planning time to collaborate, share, reflect, and grow i.e. Professional Learning Communities (PLCs); Common Planning Time (CPT)
- ✓ **Leadership and Team-Building Skills** - Planning time to foster communication among teachers, principals, education professionals, family, and community for improved students.
- ✓ **Test Analysis & Standard-Based Classrooms** - Teachers will be trained and provide support to effectively foster a culture of data literacy to drive increased student growth.

# Professional Learning Opportunities

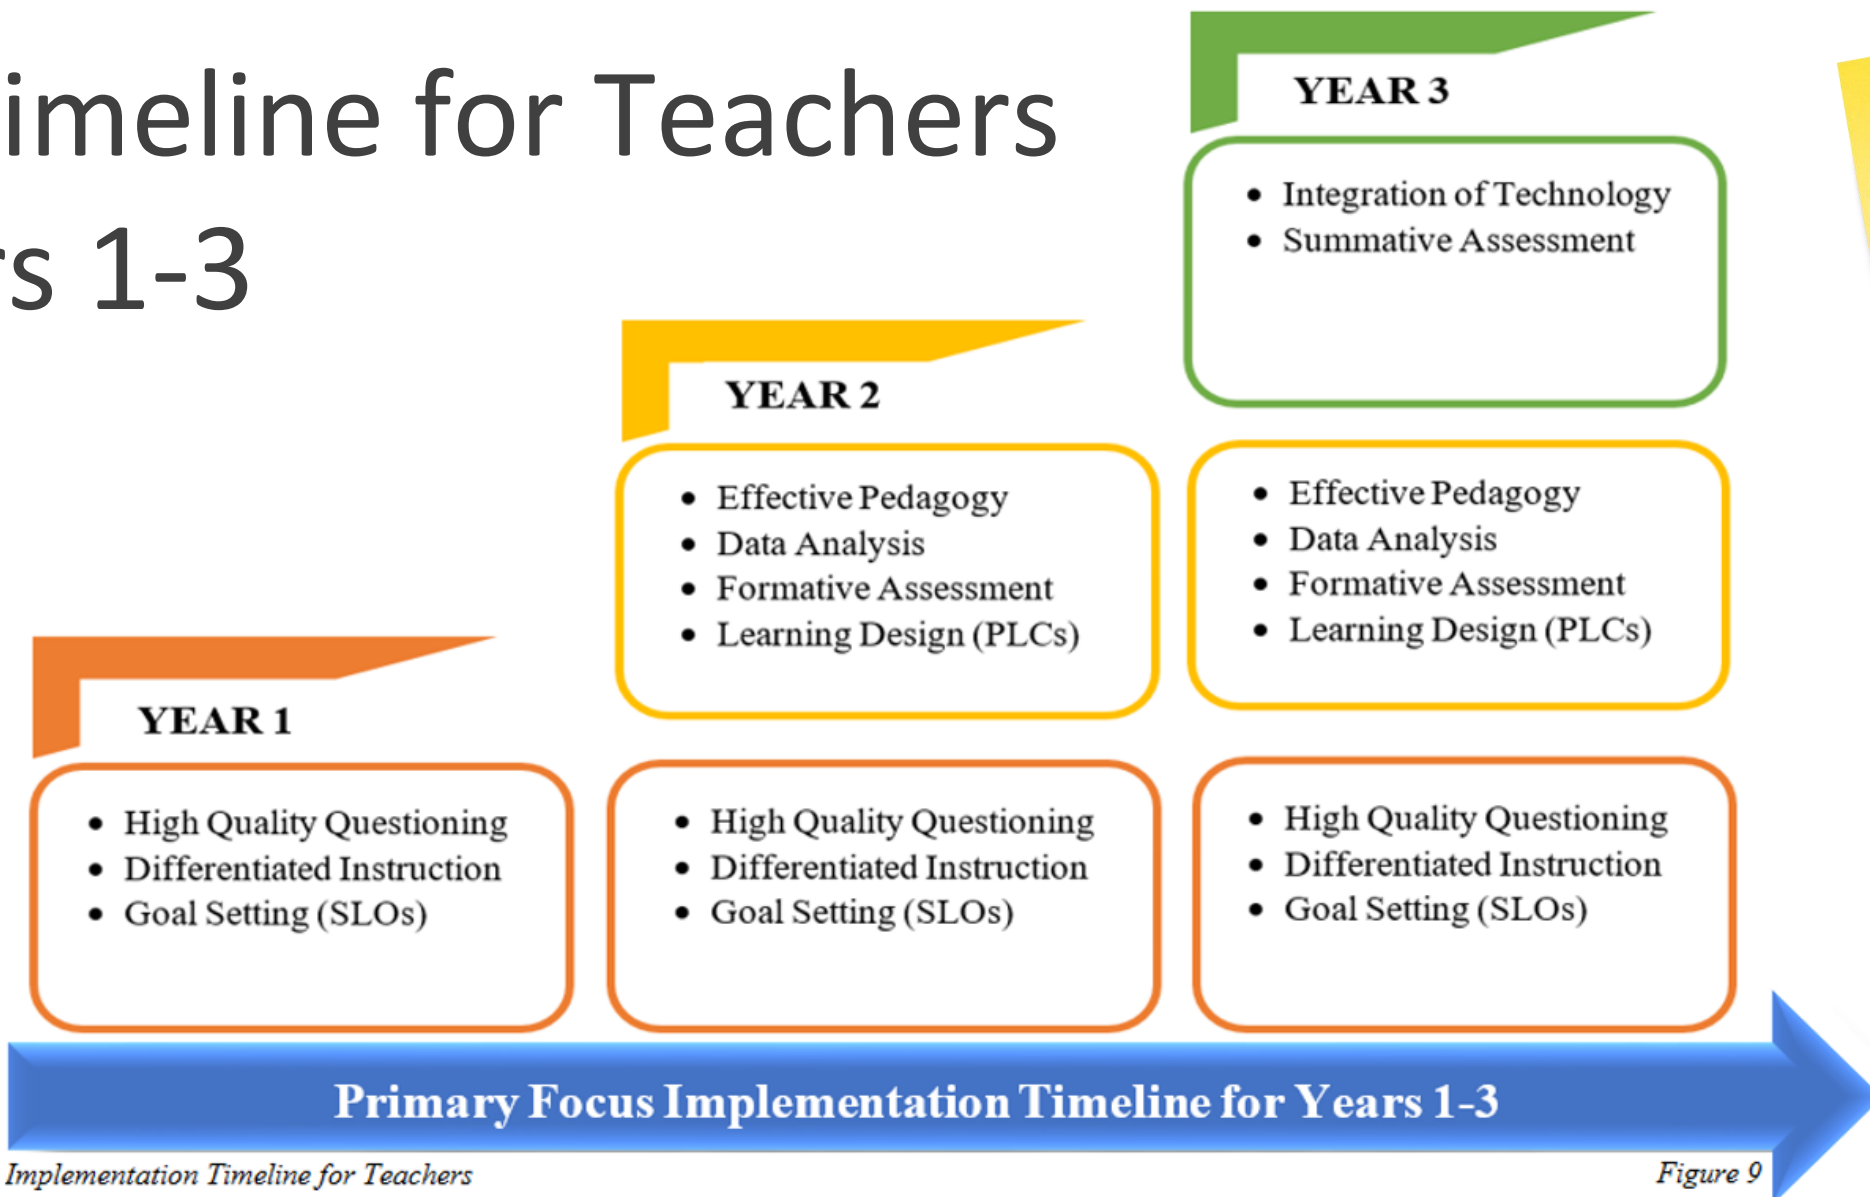

---

Equity doesn't mean the same for everyone;  
it means that everyone gets what they need.
