# Strengths

- Creativity
- Problem-Solving
- Connecting Unrelated Dots / Patterns
- Big Picture Thinking
- Intuitive

*The most valuable lesson I learned in school was how to "hack" the system which forced me to get creative.*

*I carry that creativity with me today and believe the **creative class** will ultimately rule the business landscape.*

Skip Howard, Dyslexic  
Entrepreneur and Founder of  
Spacee

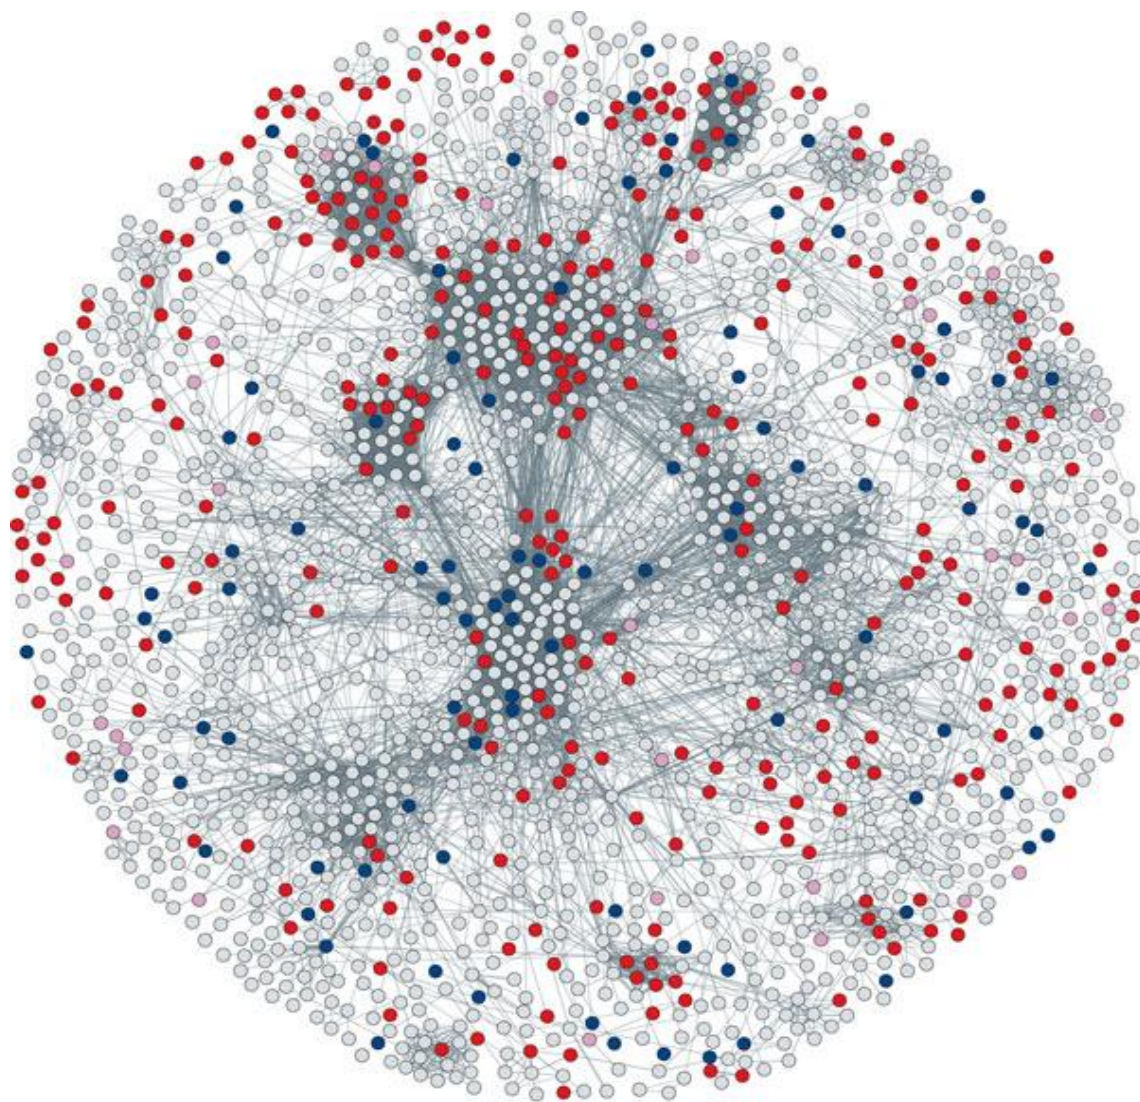

*“Dyslexics are  
extraordinarily  
creative  
about maneuvering their  
way around problems.”*

Professor Julie Logan,  
Case School of Business,  
London, England

## C-Pen Reader and Exam Pen

[scanningpens.com](http://scanningpens.com)

# **C-Pen Reader Pen**

## ***Learning Buddy* - Classroom Uses**

- Students can read and complete classwork independently
- Use dictionary to look up unknown words
- Students can scan text to transfer to computer for taking notes

# **C-Pen Reader Pen**

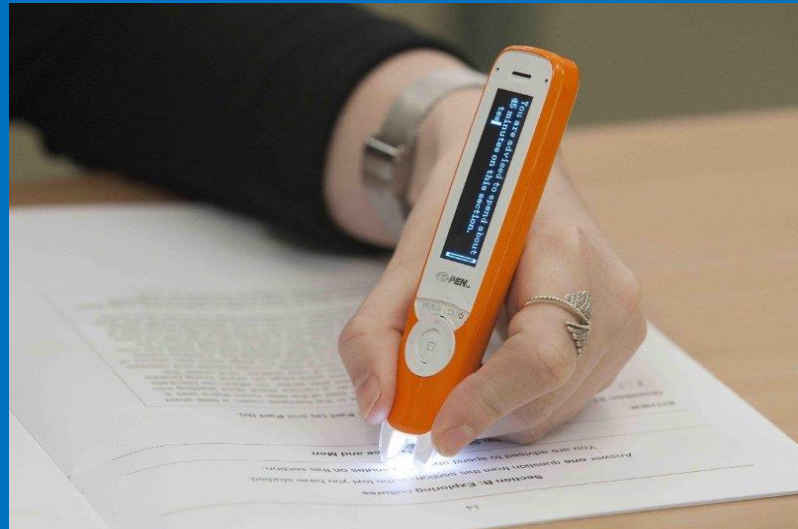

## ***Study Buddy Strategies***

- Read and complete homework independently.
- Dictionary function – help with vocabulary tests.
- Scan during class to capture notes – reduces stress of remembering information.
- Voice Recorder – at the end class quickly record class to-do's. At home, use the recorder to speak questions or words to study.
