Bring your own Device

All users are invited to attend this three-day training for a more in-depth look at the cloud-based software offered by DMAC. Each day will highlight new features and provide tips for using the applications efficiently.

#92625 DAY 1: *Data, Appraisals & School Plans*

- **State Assessment** – Find relevant STAAR and TELPAS reports to analyze, trend, and compare data – Generate reports related to accountability measures

- **T-TESS/T-PESS** – Complete the appraisal cycle

- **PlanWorks™** – Develop campus and district improvement plans

- *And more!* – DMAC Exports, lead4ward, Utilities, etc.

#92633 Day 2: *All About Local Assessments*

- **TAG Test Item Bank** – Create quality local assessments

- **TEKScore** – Analyze results using the real-time one-click report feature in your Dashboard

#92635 Day 3: *Student Documentation & Plans*

- **Student Portfolio** – Includes plans, assessment history, notes, forms, uploads and more

- **LPAC** – Fill out meeting paperwork, complete forms and get digital signatures

- **RtI** – Document interventions and monitor student progress

- **PGP** – Create 4-year plans or document plans for At-Risk students

- **SSI** - Print state mandated forms and letters
