

A watercolor palette with various colors (purple, brown, black, green, blue, pink) and a paintbrush with a red handle and gold ferrule, resting on the palette. The background is a light, textured surface with watercolor splashes.

Art for Special Populations

A G/T 6-Hour Update

presented by

Juanita Lovejoy & Patricia Rendon
Region One ESC Education Specialists

Express your ideas through original artwork!

May 22, 2019

8:30 a.m. to 3:30 p.m.

Region One ESC-Hidalgo Room
1900 W. Schunior, Edinburg, TX

Fee: \$ 100.00

Workshop #114382

Online registration at
www.esc1.net/staffdevelopment

Intended Audience:

Advanced Academic Teachers
Gifted & Talented Teachers
Special Education Teachers

Participants will be introduced to the four basic strands of art, including:

Perception

- *Identify colors, textures, and forms from the environment.*

Creative Expression/Performance

- *Develop manipulative skills when drawing, painting, print-making, and constructing artworks.*

Historical/Cultural Heritage

- *Share ideas about personal art and the works of others.*

Response/Evaluation

- *Make informed judgements about personal artworks and the artworks of others.*
